15th instant I have the honor to state that it will rest with Government to determine whether the appointment of "Keeper of the Chepauk Park" does or does not qualify for pension, when it was first created it was conferred on Mr. Lapore Magalynam an officer who had obtained a retiring pension over a month and who could not therefore be employed in the Public Service under Section 1 of the Civil Pension Code without the express sanction.

Sanction of the Government of India, so that
it is doubtful whether the appointment is intended
to be a pensionable one and it has also been
viewed by this office as of a purely temporary nature.
