READ—the following papers :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 25th September 1884, No. 7023.

I have the honor to submit, for sanction, an estimate, amounting to Rs. 4,807, for furniture required for the Presidency College. The Principal represents that no new benches have been added since the opening of the college in 1870, and that the erection of a gallery is necessary to accommodate a larger number of students, than at present, in each room. The college lecture rooms, with the exception of that for physical science, are not furnished suitably for professorial lectures to large classes, such as now assemble in the college. The defect interferes with effective teaching, as the lecturer is often not perfectly heard. I beg that the work may be entrusted to the Consulting Architect to Government.

2. The charge will be provided for in the budget estimates for 1885-86.

No. 2992, Educational.

Approved and transferred to the Public Works Department.

10TH NOVEMBER 1884, No. 2810 W., PUBLIC WORKS.

NOTE OF REMARKS.

1. The accompanying is an estimate for furniture required for the Presidency College, Madras; and amounts to Rs. 4807.
2. The "furniture" consists of a teakwood gallery, and chairs, tables, sadders, steps, book-cases, and cotton blinds with a screen.
3. The D. P. I. requests that the work may be entrusted to C. R. - by whom the estimate has been prepared.
4. The estimate has been countersigned by the Director of Public Instruction.

For orders -

If the gallery be a
fraturn, it may be supplied
by the P. W. D. under Code
para 1156, but all the
other items in the estimate
are not articles to be
supplied by the P. W. D., vide
Code para 1158.

In any case
the P. W. D. should not
be called upon to find
the funds, except per-
haps for the gallery.

I think you are right, but
beside the gallery, I should say we
must do the work of altering the doors,
fixing ladder steps, & supplying the masts
which are semi-furniture. Also putting
in hooks to beams for hanging lamps.
Probably the best plan will be to request
the C. A. to separate the estimate into
two - one for work that can be done by P. W. D.
under Code, para 1156, the other for furniture
proper. — C.

Please divide the accompanying estimate into two - one for work which can properly be carried out by the P.W. Dept. under Code para 1156, & the other for furniture proper & articles the supply of which does not devolve on the P.W. Dept, under Code para 1158.

NOTE OF REMARKS.
18-11-84

I understand that the hall seats & book racks are fixed & ought to have been omitted as "fixtures" when the estimate was built.

Estimate of Rs 4228 may be correct & that of 578 forwarded to Educational Dept. for disposal.

By the way, ought not the estimate to be approved in Educ. Dept.?

C.B.
5-11-84

Ans. The estimate has already been approved in the Educ. Dept. The P.W. D. have merely divided the approved total into two parts.

Draftsman submitted for approval.

10-11-84

1. In returning an estimate submitted by C.A. for furniture required for the Presidency College, St. in his office note, No. 1908B of the 23rd Oct. 1884, directed that the items of that estimate should be divided and classed under two heads - one head, or rather estimate, to contain such articles or items as properly supplied by the P.W. Dept., under the D.M. Code para 1156; the other estimate to contain articles which should be supplied by the Educational Dept.

2. C.A. now submits two

estimates which he states have been prepared in accordance with N.T.

note:— one estimate is for the work which can be carried out by the P.W.D., and amounts to Rs. 4,228; the other estimate is "for providing furniture to the Presidency College blueprints", and amounts to Rs. 578.

3. Subject to approval, the division now effected appears capable of correction, but as C.A.'s attention has already been specially directed to the subject, it would perhaps be best right to accept his decision in the matter.

4. The sum of the estimates is (Rs. 4,228 + Rs. 578) Rs. 4,806, or Rs. 1 less than the original Rs. 4,807, which has been countersigned by D.P.S.

To Do

For order—
It seems doubtful whether the C.A. is correct in including "teak seats" & "teak seats with book rests" in the estimate of work to be carried out & paid for by the P.W. Dept.
