From

Enclosures.

SIR,

As the small supply of coke obtained from the Madras Railway for use of the Work Shops is nearly exhausted, and as the Madras and South Indian Railways are unable to spare any more, I have the honor to request that the Government may be asked to telegraph to the Secretary of State to ship the two hundred Tons of coke indented for this Department in anticipation of receipt of Indent

2. I make this request as the purchase of coke in the country is very expensive, the rates quoted at Bombay for English and Bombay coke being on an average about 65 Rupees per Ton delivered at Madras. The Country coke, moreover, is not suited by itself for Cupola work.

I have the honor to be

Sir,

Yours most obedient Servant

McCormick Esq. P. W. D.
