GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 13th October 1884, No. 469 E.W.

I have the honor to request instructions whether I may omit charging rent for the Sub-Collector's bungalow at Erode under the following circumstances.

2. Mr. MacCartie was ordered to Madras to act as Collector, and gave over charge to Mr Rawson, the Head Assistant Collector, on 27th May.

3. Mr. Rawson was then in charge of the two divisions—the Head Assistant's and the Sub-Collector's; but was not appointed to act as Sub-Collector until July.* He then proceeded to Erode and took up his residence there from 31st July.

* Gazette of 15th July.

4. Both officers object to pay rent for the period, 28th May to 30th July.

5. During that period Mr. MacCartie was at Madras, and had to pay rent there; Mr. Rawson had his headquarters at Coimbatore, was renting a house there, and carrying on the duties of two divisions.

6. There are two orders bearing on the case, viz., G.O., Nos. 3191 W. and 1239 W., of 5th December 1882 and 15th May 1884; and by paragraph 1228 of the Code Mr. MacCartie would seem to be liable, as he failed to give the Executive Engineer notice of having vacated the buildings which remained in charge of the Sub-Collector's peons.

7. The Executive Engineer considers the case to be different from those referred to above, and that special orders of Government are necessary. It may perhaps be thought similar to that of Mr. Martin of Salem who was exempted in G.O., No. 1310 W., of 26th May 1884.

From W. DONALD, Esq., Officiating Accountant-General, Madras, to the Secretary to Government, Public Works Department, dated Fort St. George, 3rd November 1884, No. 3309.

In reply to your memorandum, No. 808 E., dated the 22nd October 1884, I have the honor to inform you that Mr. Rawson assumed charge of the Sub-Collectorate of Coimbatore on the afternoon of 27th May 1884 (the date on which Mr. C. F. MacCartie made over charge of that office), and resigned charge of it on the afternoon of 22nd October 1884. During this period he was entitled to allowances as shown below, though all along Acting Sub-Collector, in addition to his pay as Assistant Collector, Rs. 560:—

For 28th and 29th May 1884—Charge allowance as Acting Sub-Collector, at Rs. 303-5-4 per mensem.

From 30th May to 3rd June 1884—Acting allowance as Head Assistant Collector, at Rs. 200 per mensem.

From 4th June to 10th June 1884—Charge allowance as Acting Sub-Collector, at Rs. 303-5-4 per mensem.
From 11th June to 5th July 1884—Acting allowance as Acting Sub-Collector, at Rs. 404-7-1 per mensem.
For 6th and 7th July 1884—Acting allowance as Acting Head Assistant Collector, at Rs. 200 per mensem.
From 8th July to 1st August 1884—Acting allowance as Acting Sub-Collector, at Rs. 404-7-1 per mensem.
From 2nd August to 4th August 1884—Charge allowance as Acting Sub-Collector, at Rs. 303-5-4 per mensem.
For 5th August 1884—Acting allowance as Acting Sub-Collector, at Rs. 404-7-1 per mensem.
From 6th to 9th August 1884—Charge allowance as Acting Sub-Collector, at Rs. 303-5-4 per mensem.
From 10th August to 1st September 1884—Acting allowance as Acting Head Assistant, at Rs. 200 per mensem.
From 2nd September to 22nd October 1884—Acting allowance as Acting Sub-Collector, at Rs. 404-7-1 per mensem.

ORDER—dated 11th November 1884, No. 2829 W., Public Works.

The Government consider that Mr. Rawson should pay rent for the Sub-Collector's bungalow at Erode during the periods for which he was in receipt of allowances as Sub-Collector, viz.:—

For 28th and 29th May 1884.
From 4th June to 5th July 1884.
From 8th July to 30th " "

2. During the remainder of the period in question the rent will be remitted.

18th September 1877, No. 749 W.

General.
Account.

Read the following paper :—

No. 138. From Captain A. G. BEGBIE, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Fort St. George, 11th September 1877, No. 101 W.

I HAVE the honor to submit, for the orders of Government, the enclosed letter from the Executive Officer, Mangalore Division, No. 154, dated 1st August 1877, on the subject of rent due for a public building at Coondapur for the period between the 29th April and 3rd June 1877.

2. It will be seen from the Executive Officer's letter that the bungalow in question was occupied by Mr. G. Stokes, the Sub-Collector of South Canara District, at a monthly rent of Rupees 35, and that it was vacated by him on the 28th April 1877. The building was actually vacant from the 29th April to the 2nd June 1877, after which date it was occupied again by Mr. Stokes' successor Mr. Wynne.

3. The Executive Officer further explains that Mr. Stokes vacated the bungalow without handing over the building to the Public Works Department, or giving the least intimation of his having vacated the bungalow, and that he was in consequence called upon to pay rent up to the date of occupation by his successor. Mr. Stokes, however, declined doing so, on the ground that he handed over charge of his office as Acting Head Assistant Collector to the Collector of South Canara on the 28th April.

4. I am unable to trace any order directing that an officer occupying a public building shall be responsible for the rent of the building up to the date on which he formally reports his having vacated it, and I would suggest that in the present case the Government should forego its claim to rent for the time the building in question was unoccupied. But I respectfully request that Government may be pleased to lay down distinct rules for future guidance.

No. 139. ORDER THEREON, 18th September 1877, No. 749 W.

THE Governor in Council directs that all officers occupying public buildings be warned to give notice of having vacated them to the Public Works Department.

2. In the case reported no claim should be advanced for rent.

READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Western Delta, Bank Canal, 16th November 1882, No. 836 N.L.:—

Copies of No. 58 of 28th October 1882, from the Assistant Superintendent of Police, and No. 419 of 7th November 1882, from Executive Engineer.

I have the honor to forward the correspondence noted in the margin, regarding the rent to be charged for the Government bungalow at Ongole occupied by the Assistant Superintendent of Police during the absence of the permanent incumbent, Mr. Worsop, on privilege leave.

2. It appears that Mr. Worsop's *locum tenens* did not occupy the house for the whole period of Mr. Worsop's absence on leave, but has paid rent for the time of his occupancy. Mr. Worsop states that he left his furniture in the house, as a matter of courtesy, for the use of the gentleman acting for him.

3. I do not feel myself competent to remit the rent while the house was actually occupied, and I therefore request the favor of orders on the particular point, and for future guidance, should a similar case occur in regard to other Government bungalows.

No. 30.

ORDER—dated 5th December 1882, No. 3191 W., Public Works.

In the present case Mr. Worsop is clearly liable for such portion of the rent as was not defrayed by his *locum tenens*.

2. The rule which would govern a private contract must be held to apply in such cases. If an officer leaving his station for a time desires to be freed from the liability to pay rent he must notify his intention and absolutely vacate the premises. If he elects to leave his furniture in the building, whether as a matter of convenience to himself or for the accommodation of the officer acting for him, it is to him that the Government must look for the rent. Any arrangement entered into between him and his *locum tenens*, in regard to payment for the accommodation secured to the latter, is entirely of a private nature, with which the Government can have no concern.

READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 18th April 1884, No. 53 N.L.:—

I have the honor to lay the following matter before you and request, should you see fit, that the orders of Government may be obtained.

2. The Executive Engineer, Nellore division, reports that rent for the Sub-Collector's bungalow at Ongole is due from the 1st January last.

3. On the 8th February the Executive Enginer wrote to Mr. W. J. Tate, the acting Sub-Collector, requesting payment of the rent for January; getting no reply, the Executive Engineer wrote again on the 18th idem, and receiving no reply to either of these two letters, wrote again to Mr. Tate on the 3rd March.

4. This elicited a reply from Mr. Tate, to the effect that he had vacated the bungalow on the 22nd January, and had asked the Collector to get the rent from that date remitted.

5. This was followed by a second letter from the acting Sub-Collector, dated the 10th March, copy of which, with copy of the enclosures, is forwarded.

6. A copy of the Executive Engineer's reply is also forwarded.

7. The Executive Engineer sent up the correspondence to me with his No. 67 of the 22nd March, and, in reply, I informed Captain Henderson, under date the 28th idem, that it appeared to me, under G.Os., Nos. 749 W. and 3191 W., of the 18th September 1877 and 5th December 1882, respectively, that Mr. Tate is responsible for the rent until he actually makes over the building to the Public Works Department, and I requested information as to the date on which the bungalow was formally made over.

8. Writing under date the 14th instant, the Executive Engineer, Nellore, informs me that the building has never been formally handed over by the acting Sub-Collector, Mr. Tate, also that when this gentleman removed his furniture to the cutcherry and vacated the bungalow, it appears to have been taken charge of by a cooly employed for watering the compound hedge. Mr. Mahony, the Public Works sub-divisional officer at Ongole, found that the bungalow had been vacated and reported the fact to the Executive Engineer on the 4th February.

9. It is quite clear therefore that Mr. Tate failed to give notice that he had vacated the building, as required by the G.O. of September 1877 already quoted, and apparently took no trouble to ensure that the building was properly looked after.

10. Mr. Tate has not paid any rent from the 1st January.

11. Under these circumstances, I request Government will decide up to what date Mr. Tate should pay rent, and that orders may be passed directing him to pay the same to the Executive Engineer.

12. Mr. Tate is, I understand, on special duty in the south of the district and does not require the bungalow; but there is not, I submit, any justification for his not giving proper notice regarding his intention to vacate the bungalow, and for his not replying about the rent till three letters had been written to him.

ENCLOSURES.

From W. J. TATE, Esq., Acting Sub-Collector to the Executive Engineer, Nellore Division, dated 10th March 1884, No. 97.

In forwarding, herewith, a copy of the Collector's No. 1012, dated 26th February 1884, I have the honor to inform you that I warned you that I vacated the bungalow on the 22nd January last, *vide* my letter, No. 82, dated 6th March 1884, and that if it is necessary to hand over the key to the Public Works Department I will do so at once.

From W. J. TATE, Esq., Acting Sub-Collector of Nellore, to the Acting Collector of Nellore, dated 15th February 1884, No. 106.

I have the honor to forward, herewith, a copy of the Treasury Deputy Collector's letter, No. 385, dated 9th February 1884, and with reference thereto to state that in view of other arrangements I vacated the bungalow altogether on the 22nd January last. I therefore request that from that date, or at least from the date of G.O., No. 168, dated 4th February 1884, I may be relieved from paying for it until my return to the sub-division.

From the Acting Collector of Nellore, to W. J. TATE, Esq., Acting Sub-Collector, Nellore, dated 26th February 1884, No. 1012.

Please give notice of your having vacated the building to the Public Works Department, as required by G.O., dated 18th September 1877, No. 749 W. (copy enclosed).

From the Executive Engineer, Nellore, to W. J. TATE, Esq., Acting Sub-Collector, Nellore, dated 22nd March 1884, No. 194 A.

In reply to your No. 97 of 10th instant, received by me on 21st instant, I have the honor to request that the key of the bungalow at Ongole may be handed over either to me or to Mr. Mahony at Ongole.

2 I note that you warned me that you vacated the bungalow on the 22nd January. Unfortunately your warning, which was dated 6th March, did not reach me until the 16th March, nearly two months after you had vacated the bungalow and after I had written three times to you on the subject of the rent due.

3. I am forwarding the correspondence to the Superintending Engineer, II Circle, for disposal, as I think that before you can vacate the bungalow you should give the usual month's notice.

ORDER—dated 15th May 1884, No. 1239 W., Public Works.

As Mr. Tate failed to give due notice of his intention to vacate the Sub-Collector's bungalow at Ongole, as required by the proceedings of Government quoted in the margin, and, moreover, omitted, on leaving, to hand over the building to a responsible officer of the Public Works Department, he will now be required to pay rent up to the 6th March, the date on which he intimated his intention of vacating the bungalow.

Read—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Camp, Salem, 21st April 1884, No. 189 E.W.—Through the Examiner of Public Works Accounts) :—

I have the honor to forward, herewith, for instructions, copies of two letters from the Acting Collector of Salem, Mr. C. W. W. Martin, declining to pay rent for his bungalow from 12th to 29th February 1884, while he was absent on special duty.

2. Mr. Martin was informed that this department had no authority to discontinue charging rent or to reduce the rate while a bungalow is occupied by an officer or his furniture; but he declines to pay unless ordered by Government to do so.

ENCLOSURES.

From C. W. W. MARTIN, Esq., Acting Collector of Salem, to the Executive Engineer, Salem, dated 5th March 1884, No. 559.

I have the honor to enclose a Treasury receipt for Rs. 37-14-11, being the amount of house rent due by me for the Government bungalow here, which I occupied from 1st to 11th February 1884, I having been deputed out of the district after that date.

2. As Mr. Moore, who was in charge of the district, has to pay for his house at Hosúr, I consider that neither of us should be asked for the rent of the Salem house during the period of my absence.

From the same officer, dated Salem, 4th April 1884, No. 842.

With reference to your letter, No. 291, dated 28th March, I have the honor to inform you that I do not consider myself bound to pay rent for the Government bungalow for the time I was out of the district on special duty.

2. The case is a peculiar one to which no rules apply.

3. My arrangement is that none of the district officers should be charged while I was absent; for, I could not occupy the house; Mr. Moore had to pay his rent as usual; Mr. Mullaly had to pay his rent, and a considerable degree of extra work was thrown on these officers for no remuneration whatever; for, I understand that they will not even get acting allowance for the time they were in charge, under a recent ruling in the Account department.

4. I shall pay this rent if Government say that they consider me bound to pay, for I will not let the charge fall on either of the other two officers.

Order—dated 16th May 1884, No. 2066, Revenue.

The case is, as Mr. Martin puts it, a peculiar one. He did not voluntarily vacate the house, but was ordered away on special duty to meet the exigencies of the public

services; and as he must have been put to extra expense for accommodation elsewhere without extra remuneration to cover it, the Government are pleased to exempt him from the payment of rent for the Salem bungalow for the period of his absence.

To the Revenue Secretary.

For favour of opinion as to who should be called on to pay rent for the Sub-Collector's house at Erode from 28.5.84 to 30.7.84.

The facts seem fully explained in the accompanying letter from the S.E. dated 13.10.84. W. 469

Considering the number of houses which have been, and are being, provided throughout the Presidency as residences for Revenue officers, the undersigned deprecates the adoption of the S.E.'s suggestion, that a precedent be made of Mr. Martin's case dealt with in G.O. DESPATCH

Mr. Martin's case was entirely Special & was declared to be so. It cannot make any precedent.
Mr. Macartie was ordered away by telegram on Special Emergency & probably had no time to make over the house. It seems to me that it would be unjust to make him pay, at any rate after the date which Mr. Ranson took charge of the duties in drawing allowances for such charge. If after such date he remained in Coimbatore & Kotta house then, it was his look out. I recommend that it be ascertained by Corr. from the Acct. Genl. from what date Mr. R. began to draw allowance whether charge or deputation, on acct. of the Collectorate. He is down in the Civil List for an Off. Allce. from the S.E. 1st July last & is stated to have taken charge on 27 May. If he drew allowance from 27 May, I would make him pay from that date, ~~from 20 to 27 May, in accordance with his being fixed to join station.~~ If Mr. Ranson drew no allowance from 27 May to 1st July, his Gazette empt. to be antedated, to enable him to do so.

To The Revenue Secretary.

Adverting to my Office Note No 795 E dated 20th October 1884 and to your reply thereto, I beg to solicit favour me with your opinion whether the information supplied by the Accountant General pertaining rent being charged against Mr Rawson from the 28th May 1884 to 30th July 1884, in respect to the Sub Collectorate Bungalow at Erode.

I am of opinion that Mr Rawson ought to pay the house rent for all periods during which he drew allowances as Sub Collector, & that Mr Macan cannot be asked to pay at all. The continual changes in Mr R's pay are due to a mode of working the rules adopted by the Acct Genl as to which correspondence is going on in the Public Works Dept.
