SUPG. ENGINEER'S OFFICE 4TH CIRCLE,
4th January 1884

No. 2/M.

From,

The Superintending Engineer,
Fourth Circle.

To,

Ernest Barclay Esq
Government Solicitor
Madras

Sir,

Enclosures
1 Deed of conveyance
1 Sketch plan of Stanes & Co's property
Letter No: 642 d/ 27th December/83

With reference to your letter No 618 of 26th November 1883 and its enclosures herewith returned I have the honor to send you the report of the Sub divisional officer at Calicut Conductor Nicholson, who has gone over the property with Mr. D'Rozario the agent of Messrs. Stanes & Co., and states that the description of its boundaries given in the schedule is accurate and may be accepted except the superficial contents which should apparently be 255,400 sq ft.×

× or 5·86 acres

I &

2 It seems to me that it might be well instead of the somewhat confused description given in the Schedule to substitute, or add to it, if you like, a natural description of the present boundaries of the whole property. If you agree with me I shall direct the Executive Engineer to prepare such a description for you.

3 Meantime as there has already been considerable, though, so far as I know, unavoidable delay in selling this matter, perhaps you can at once authorize the Chief Engineer to direct the payment of the balance of the purchase money.

I have &

To,
The Executive Engineer
4th Circle, Coimbatore

Sir,

I beg to acknowledge receipt of your letter of the 4th instant No 2/m with its enclosures.

2 I shall be obliged if you will furnish me as soon as possible with a description of Messrs Stanes & Co's property at Calicut in one block as proposed by the Sub Divisional officer, taking the chain line round the entire property and giving me the boundaries on each side and the area

3 I am not prepared to advise payment of the balance of the purchase money until the completion of the conveyance.

Coimbatore 9th January 84

No. 44

From,
The Executive Engineer
Coimbatore Division

To
The Superintending Engineer
4th Circle, Coimbatore

Sir,

I have the honor to state that plans and estimates for adapting the buildings known as coffee works at Calicut for the Law Courts at that place are nearly ready and will be submitted within a fortnight.

2 The estimates amount to Rs 107,830 the cause of difference between the amount given in my letter No. 693 of 12th July 1883 viz Rs 80,300 is due (1) to the increased sum paid for the buildings and land and (2) to the fact that the estimates now prepared provide for tiffin room, Vakeels rooms &c.

x at the request of the present Civil & Sessions Judge.

3 I have therefore the honor to request you will be good enough to authorize me to make arrangements for spending the balance of this year's grant viz Rs 5,000 in the collection of materials e.g. Laterite stone, mission tiles and timbers.

I have &c

No. 35
P.W.

From,

The Superintending Engineer,
Fourth Circle.

To,

The Chief Engineer
P.W. Department.

Sir,

In forwarding the accompanying letter of the Executive Engineer Coimbatore No. 44 of 9th instant regarding the Law Courts Calicut, I have the honor to request your sanction to his spending the balance of allotment, Rs 5,000, in the purchase of materials for the improvement of the existing buildings and for the additional buildings.

2. I understand that the estimates may be expected immediately, and that the chief cause of delay lately is that the Judge of Malabar

ha

has asked for certain new buildings which were not mentioned at the time the purchase was under consideration viz, waiting room, tiffin room, coach house, stables, and latrine.

3. I have authorized the Executive Engineer to commence collecting materials in anticipation of your approval which please telegraph.

4 I may mention that the allotment was Rs 50,000; of which Rs 40,000 have been paid to Messrs Stanes and Co., the balance of purchase money Rs 5,000 will probably be have to be paid immediately, and Rs 5000 are available to meet the cost of materials.

I have the honor to be
Sir
