

From,

The Secretary to Government,

No. 93 W

Madras, 29th October 1884.

Sir,

With reference to G. O. No. 2585 W. dated 21st.

October 1884, I have the honor to enquire whether G. O. No. 2343 W dated 23rd. September 1884 still holds good.

2. In the Superintending Engineer's letter given in the latter order, it is stated that the Overseer occupied an out-house, as the main building was "almost uninhabitable" from the bad state of the roofing. In his subsequent letter the Superintending Engineer states that the Overseer is considered to have occupied no quarters at all for the period concerned.

3. As it is apparently evident that the Overseer did actually occupy public quarters, even though it suited him to occupy only an out-house, he is liable for the rent as laid down in G. O. No. 2343 W. dated 23rd. September 1884.

I have the honor to be,

Sir,

Your Most Obedient Servant.

SIR,

Enclosures.

With reference to your endorsement No:
1764C dated 31st October 1884, (herewith returned)
I have the honor to state that G.O No. 2136W
dated 29th August 1884, empowers Suptg.
Engineers to decide in each case whether
a house is habitable or not during
repairs: the small out house occasion-
ally used by the Overseer cannot be
called habitable; I have therefore
exempted Overseer Mr. Elliott from
payment of rent under the above
order.

I have the honor to be
