Read—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Acting Chief Secretary to Government, dated Ootacamund, 19th September 1883, T. No. 2710:—

As the portion of the taluk cutcherry now occupied by the sub-registrar's office at Tiruvádi, in the Tanjore district, is insufficient and unsuited for the purpose, I have the honor to request that you will be pleased to obtain the sanction of the Government to the portion of the cutcherry which is occupied by the district munsif being transferred to the Registration Department and adapted for the sub-registrar's office when the munsif, for whom a new court-house is under construction, vacates it at the end of December next.

2. Mr. Pennington, the Acting Collector of the district, has no objection to the transfer proposed, and the Executive Engineer, Tanjore, thinks that the building can be altered and adapted for the sub-registrar's office for about Rs. 200.
