(2.) Due to cement flooring substituted for the ordinary chunam one. The cost of this is Rs. 311 ; of this Rs. 105 were already applied for.

(3.) Surrendered, as only Rs. 8,000 are required for expenditure during the year.

(4.) Owing to delay caused by the contractor.

(5.) Owing to site not having been decided on yet.

(6.) Owing to the inaccessibility of the place and the difficulty of procuring labor as well as bad weather and much rain.

(7.) The site has not yet been handed over and has to be taken up under the Act.

(8.) Required to restore the roof of the record-room, &c., of the Collector's cutcherry at Trichinopoly, which fell in during the heavy rains on the 17th ultimo.

(9.) An estimate, amounting to Rs. 93, was sanctioned for this service; Rs. 17 was spent during 1883-84. The present grant is not considered to be necessary, and hence the surrender.

Order—dated 24th June 1884, No. 1581 W., Public Works.

With the papers read above, Superintending Engineers and the Consulting Architect submit statements of the estimated requirements for the current official year, in lump sums for minor works and tools and plant for each division; and in detail for the incomplete works of the past year, and for new works recommended to be taken up in 1884-85.

2. Under "Imperial other services," the demands against "Original works" amount to—

	Rs.
Postal	5,151
Telegraph	1,000
Salt	553

of which only Rs. 1,404 under Postal have been allotted for the completion of two incomplete works. The balance of the minor works grant, after the above allotment for unfinished works, under Postal, Rs. 10,596, and the whole of the minor works grant under Telegraph, Rs. 6,000, are placed at the disposal of the Director-General of the Post Office, and of the Director-General of Telegraphs, as shown in Statement A. Those officers will allot the requisite funds for work to be undertaken during the year.

3. The sum of Rs. 553 is required under Salt, to permit of the early completion of the head sluice across Mercanam brine supply channel. On receipt of a reply to a

„ new minor works	1,500
„ new major works	2,795

7. There are several new minor works for which funds have been applied for by Superintending Engineers; but as the balance of the minor works grant, after providing for works now on hand, has been placed at the disposal of the military officers commanding divisions and districts, application should be made to them by Superintending Engineers to meet outlay on such works as are to be carried out during 1884-85.

8. A reference has been made to the Military Department respecting suggestions of the Superintending Engineer, V Circle, to resume the budget grant for "Alterations and additions to wash-house for the British Infantry at Bangalore," and to reduce the budget grant for "Armaments of Fort St. George."
