READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Dowlaishweram, 23rd January 1884, No. 475 V.Z. :—

I have the honor to bring to your notice that, for the conservancy of Sarada and Varaha rivers, in the Vizagapatam district, ten temporary Neerameum lascars, as detailed in the margin, have been sanctioned* and employed from the year 1875, and they were provided in the budgets up to end of 1882-83 ; but in the budget for 1883-84 no provision has been made for them although they were included in the irrigation and navigation and agricultural budget estimates submitted from this office for that year. This establishment was employed for 7 months in this year, as usual, but the Examiner of Public Works Accounts has declined to pass their salaries in the absence of necessary allotment of funds to meet the charge.

The selection of the works under class A, and the amount of their allotments, have been settled in Committee, in accordance with the arrangements sanctioned in G.O., No. 2856 W., dated 11th October 1883. It has not been possible to allot funds to all works brought forward by Superintending Engineers. Those unprovided for have been shown under class B, and can again be brought forward during the year should funds hereafter become available.

4. Provision has, in accordance with G.O., No. 3208 W., dated 12th November 1883, been made for incomplete educational works. It was not found possible, however, to allot funds for *new* works of this class.

5. Rs. 50,000 are provided for the road from Ootacamund to Gúdalúr, and Rs. 10,000 for the road from Kótagiri to Mettupálaiyam. These grants will be expended by the Nílgiri Local Fund Board, as previously.

It must also be understood that no expenditure is to be incurred on class B works without specific appropriation of funds, the amounts shown in the schedule being those *applied for*. They are not allotments.

8. With these remarks, the preliminary issue of the Provincial Budget Estimate for 1884-85 is circulated for the information and guidance of the officers of the department, and four copies are forwarded for the information of the Government of India.
