SIR,

Enclosures.

I have the honor to report that the Executive Engineer has appointed an unpassed candidate Mr. Robert May for the post of temporary Draftsman sanctioned in G.O. No. 1640 W dated 5th July 1884 for preparing plans and sections of important works of the Kurnool Canal. He endeavoured to get a passed man but no one was inclined to come forward. Mr. R. May is an old servant of the late M. S. C. Company and is said to understand his work very well. I therefore request that sanction may

be given to the appointment of the said
individual to admit of his pay being passed
by the Examiner of Accounts.

I have the honor to be
Sir

Your most obedt servant.
