Establishment.

READ—the following letter from Colonel W. H. BURTON, R.E., Executive Engineer, Presidency Division, to the Superintending Engineer, V Circle, dated Bangalore, 21st November 1884, No. 4577 :—

I have the honor to bring to your notice that the three sweepers working at Chepák office complained that the one at the Secretariat office gets Rs. 4 per mensem, whereas those sweeping our part of the building are paid Rs. 3 each.

2. The work was the same as the other at Chepák. But since the upper stories were erected these three sweepers evidently do more work than they did before.

3. I would recommend, therefore, that these three sweepers should get Rs. 4 under above circumstances.

No. 3348.

Endorsement on the above.

Submitted to the Chief Engineer, Public Works Department.

2. I recommend that the pay of the three sweepers be raised from Rs. 3 to Rs. 4, and enclose a statement of proposition for the increase.
