in the copy of letter,

be inferred from
the circumstance
that the sanction
has been commu-

I am to point

be only Rs 1580.

To

Mr.

Encls. —

With reference to G.O.
No. 2792 Mr. dated the 8th Novem-
ber 1884, I shall be obliged by
your informing me of the
source from which the reduction
of Rs. 5,000 in the Postal Minor
Works grant is to be met. The
present unappropriated balance
of the Minor Works grant of
Rs. 10,596 under the control of
the Director General of Post
Offices amounts only to Rs. 1,580,
and therefore it is necessary
to know the Divisions that are
to bear the bulk of the reduction.

It is I believe not probable
- that the Govt of India
would have ordered a
transfer from postal
works grant, when no
funds were available
under that class. Besides
the letter from the Under-
Secretary to the Govt of
India, communicating
sanction of the transfer,
is addressed to the Dir
- in General of Telegraphs
Although in the body of
the letter the transfer
of the amount is said
to be from Postal works
Grant.

Under these circumstances
please let me know
whether the Govt of India
can be addressed to
inform if telegraph
works are not used
