GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper :—

From Lieut.-Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works department, dated Trichinopoly, 15th November 1884, No. 1253-T.J.

With reference to G.O., No. 2219 W, of 10th September 1884, I have the honor to forward a copy of the Executive Engineer's letter, and a memorandum showing the approximate value of the several buildings attached to St. Joseph's College, Negapatam, amounting to Rs. 24,000.

2. It will be seen from the Executive Engineer's letter, paragraph 3, that the ground belongs to a temple and the accuracy of this statement should be ascertained by the Revenue department.

3. The three plans received with the Government order were sent to the Collector by the Executive Engineer, apparently by mistake, and the Collector states that they have been submitted to Government with a report.

4. I saw the buildings last June; they are a cheap style of building, and will require heavy repair if purchased to adapt them for public offices.
