

Sept 11/84 CR 9873 In no 5/12

The accompanying
are the replies from
the Public and Revenue
Departments, from
which it will be
seen that the practice
is in accord with the
proposed draft order.
The Military Dept. have
never had a case of
the kind to deal with.

This does not seem
to be required under
any order of Govt.

I am not clear on the
point. In the case
of a Police Officer, the
sanction is given in
the Public, not Judicial,
Dept. Vide G.O. 5.2.84
N^o. 186.It seems to me that
the Public Dept. is the proper
one to deal with such
matters.Please ascertain practice
in Mil. & Rev. Dept.

My dear Simpson.

Fitz Simon deals
with papers in the Subli-
Sept and he tells me that
the course now pursued
in the S. W. D. is the
proper one, viz, that
all references in the
case of S. W. officers
relating to the subject

2

if your note should
be disposed of in next
Sept. As a matter
analogous he cites the
the question of receiving
addresses by F.W. officers
which I believe is being
dealt with in your Dept.

Yours truly
