READ—the following letter from J. A. DAVIES, Esq., Acting Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, dated Madras, 13th October 1884, No. 2989 :—

The District Judge of Tanjore has submitted the accompanying plan and estimate (with specification and report), duly countersigned by himself and the Superintending Engineer of the VI Circle, for improving the District Munsif's court-house at Mayavaram at an expenditure of Rs. 3,345.

2. A sum of Rs. 5,480 was sanctioned in G.O., dated 29th June 1883, No. 1823 XV, Public Works, for the completion of the building, which was originally intended for the Deputy Collector's cutcherry as a court-house, but, on the building being finished, it was found, as the Superintending Engineer states in his report, to afford insufficient accommodation for the Munsif's Court, and thereupon the present estimate and plan for additional accommodation were called for by the District Judge.

3. I am directed to state that the High Court approves of the proposed improvements and to request that Government will be pleased to sanction them and to allot the necessary funds for their being carried out.

No. 2308, Judicial.

Approved and transferred to the Public Works Department.
