NOTE OF REMARKS.

1. The accompanying plan and estimate provide for improving the Telegraph office at Cocanada, Godavari District. The estimate amounts to Rs. 4,200.
2. This estimate has not been submitted in correct form. A 'Report' explaining the nature and object of the improvement proposed to be effected, should have been sent with the abstract estimate - see D.P.W. Code para. 1108. - S.E.I.'s letter cannot be accepted as an equivalent in

this instance.

3. Under G.O. No. 483 W. of
the 21st Feb. 84, S.E.I. should
have forwarded this
estimate to the Direc-
tor General of Telegraphs.
S.E.I.'s explanation of
the course he has
adopted in this
case does not appear
to be satisfactory. -
Plan and detailed estimate are
fairly prepared.
