### Famine Relief.

No. 145. READ THE FOLLOWING PAPER:—

From C. BERNARD, Esq., C.S.I., Officiating Secretary to the Government of India, Home, Revenue, and Agricultural Department (Famine), to J. H. GARSTIN, Esq., C.S.I., Acting Secretary to the Government of Madras, Revenue Department, dated Simla, 10th September 1879, No. 148-C.

IN reply to your letter, No. 1,599-A, dated the 31st July last, I am directed to say that the Governor-General in Council is pleased to sanction the grant of the following concessions to the officers named in the list No. 1 forwarded therewith, who were employed on famine relief duty in 1876-77 :—

(a) Special leave on account of failure of health occasioned by relief duty.
(b) Of this special leave, the first six months' leave will carry full pay *and* allowances up to a limit of Rs. 600 a-month.

It is to be understood that the special leave should be taken before the end of the year 1880.

2. I am also to convey the sanction of His Excellency to an addition to service for pension of a period not exceeding twelve months in the case of the officers mentioned in the list No. 2, who received no extra allowances and whose salary does not exceed Rs. 600 a-month.

3. I am to request that, with the permission of His Grace the Governor in Council, you will be good enough to favor the Government of India with a report showing the amount of money and of extra service granted to each officer under the orders now passed.

---

No. 146. ORDER THEREON, 10th October 1879, No. 2,038.

Miscellaneous.

UNDER the authority conveyed by the above communication, His Grace the Governor in Council resolves that, in respect of those officers whose names appear in list No. 1 and who have already had six or more months' leave in consequence of ill-health contracted on Famine Relief duty, the Accountant-General be authorized to offer to them the option—

(1) either of receiving at once the difference between the absentee allowances they actually received during the first six months of such leave and six months' allowances calculated at the rate of Rs. 600 a-month, or where their full pay and allowances prior to going on such leave were less than 600 rupees a-month, then the difference between such full pay and allowances and what they actually drew during the first six months of their absence.

(2) or of waiting to take six months' special leave on 600 rupees a-month, or on full pay and allowances when these are less than 600 rupees a-month, before the end of 1880. It must be clearly understood that in the latter alternative the leave will be taken subject to the conditions laid down by the Government of India in their Resolution of 26th March 1879, No. 1,453.*

2. The total amount of money disbursed under the authority of the above Order will be duly reported by the Accountant-General for communication to the Government of India.

3. The Government propose to grant twelve months' extra service for pension to all the officers and subordinates whose names appear in list No. 2. The Government of India will be informed accordingly.

*1. That the term "full pay and allowances" means the full pay and allowances which the officer to whom special leave is granted is in receipt of when he avails himself of the leave.

2. That the special leave will *not* count as service.

3. That the special leave *will* interfere with other leave. For instance, an officer who takes the special leave will forfeit all claim to privilege leave which is due to him when he takes the special leave, nor will an officer, under the operation of Section 35 of the Civil Leave Code, be entitled to take any other leave at the close of the special leave.

The concession intended by the special leave is the grant of extra leave allowance during the first six months of an officer's absence. After the end of the six months, that is, for the remainder of his leave, the officer draws the usual leave allowance under the rules to which he is subject.

Office Note from the Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated 23rd June 1882, No. 254.

Herewith a statement prepared from the best information available in this office. The statement includes the names of the three Royal Engineer Officers referred to in my Office Note No. 172, dated 29th May 1882, regarding whom information had been obtained from the Superintending Engineers concerned, and of the officers and subordinates specially employed or transferred from other provinces for famine duty, and who it has been presumed were only engaged on such duty.

2. The pay and allowances of the Royal Engineer Officers and non-commissioned officers belonging to the normal establishment of this Presidency were, as a rule, drawn in the regular salary bills of the divisions and offices concerned, and this office is not in a position to state which of these officers and subordinates were employed on famine duties and for what periods. It is possible that information regarding these officers and subordinates can be obtained from the Superintending Engineers.

Read—the following G.O., dated 17th June 1882, No. 2964, Military :—

*Read*—the following letter from E. C. BUCK, Esq., C.S., Secretary to the Government of India, Revenue and Agricultural Department (Famine), to the Secretary to the Government of Bombay, dated Simla, 30th May 1882, No. 40 F.

I am directed to acknowledge the receipt of your letter, No. 1425P.-145, of the 29th March last, and accompaniments, referring a question respecting the eligibility of warrant officers to the concession sanctioned by the Secretary of State in his despatch No. 433 (Military) of the 22nd December 1881 to the non-commissioned officers of the Royal Engineers; and inquiring whether the concessions therein granted are admissible to all commissioned officers, warrant officers and non-commissioned officers, or only to those who were regarded as specially deserving, and who fulfil the other conditions prescribed in Financial resolution, No. 2087, of the 10th August 1878.

2. The Government of India considers that warrant officers are included in the general term "Non-commissioned Officers," and are therefore eligible to the bonus of three months' pay sanctioned for non-commissioned officers, provided they otherwise fulfil the conditions laid down in the aforesaid resolution of the 10th August 1878.

3. In regard to the inquiry as to whether the concessions are admissible to *all* officers, I am directed to invite attention to Finance Department's letter, No. 1743, of the 27th March last, in which the Bombay Government was informed, in respect to civil officers, that the restriction which was originally attached to the second concession, and which required a special recommendation in each case, had not been removed. This provision equally applies to officers of the Royal Engineers, whom it was originally proposed to reward in the same way as civilians, and for whom an alternative privilege was subsequently sanctioned by the Secretary of State. The Government of India also considers that the concession sanctioned in the Secretary of State's despatch, No. 433, dated the 22nd December 1881, for officers of the Royal Engineers cannot be granted to any officer who received an extra allowance or a higher salary than Rs. 600 a month while employed on famine duty.

Replies have now come in to No 322 E d/ 29' June 82 (Copy enclosed), and the accompanying statements have been compiled shewing

(1) R. E. Officers employed on Famine duty

(2) R. E Subordinates employed on Famine duty

As regards (1) it seems to this Office that the Secy of State's concession of extra furlough, can be availed of only by those officers who received

received no extra pay while employed on Famine duty and whose Emoluments did not exceed Rs 600/ per mensem. Vide Resolution of the Government of India No 2087 d/10th Aug 78 as interpreted by Govt of India letter No 4071 d/30th May 82. It is understood that all officers from other Provinces, received extra pay. They would thus be ineligible. In the case of Madras Officers, those who drew more than Rs 600 per mensem would be ineligible.

I have considered in Council your Military letter No. 372, dated 8th October 1881, in which you recommend, with reference to my Financial Despatch of 14th April 1881, No. 137, that in recognition of the useful service performed by officers and non-commissioned officers of the Royal Engineers whilst employed on famine relief duties, the officers should be allowed to count towards furlough a period of service, according to the time passed on such duty, not exceeding one year, and that the non-commissioned officers should be granted a bonus of three months' pay. * * * *

G.O., dated 17th June 1882, No. 2964, Military.

*Read*—the following letter from E. C. BUCK, Esq., C. S., Secretary to the Government of India, Revenue and Agricultural Department (Famine), to the Secretary to the Government of Bombay, dated Simla, 30th May 1882, No. 40 F:—

I am directed to acknowledge the receipt of your letter, No. 1425P.-145, of the 29th March last, and accompaniments, referring a question respecting the eligibility of warrant officers to the concession sanctioned by the Secretary of State in his despatch No. 433 (Military) of the 22nd December 1881 to the non-commissioned officers of the Royal Engineers; and inquiring whether the concessions therein granted are admissible to all commissioned officers, warrant officers and non-commissioned officers, or only to those who were regarded as especially deserving, and who fulfil the other conditions prescribed in Financial resolution, No. 2087, of the 10th August 1878.

2. The Government of India considers that warrant officers are included in the general term "Non-commissioned Officers," and are therefore eligible to the bonus of three months' pay sanctioned for non-commissioned officers, provided they otherwise fulfil the conditions laid down in the aforesaid resolution of the 10th August 1878.

3. In regard to the inquiry as to whether the concessions are admissible to *all* officers, I am directed to invite attention to Finance Department's letter, No. 1743, of the 27th March last, in which the Bombay Government was informed, in respect to civil officers, that the restriction which was originally attached to the second concession, and which required a special recommendation in each case, had not been removed. This provision equally applies to officers of the Royal Engineers, whom it was originally proposed to reward in the same way as civilians, and for whom an alternative privilege was subsequently sanctioned by the Secretary of State. The Government of India also considers that the concession sanctioned in the Secretary of State's despatch, No. 433, dated the 22nd December 1881, for officers of the Royal Engineers cannot be granted to any officer who received an extra allowance or a higher salary than Rs. 600 a-month while employed on famine duty.

Order—dated 15th November 1882, No. 3032 W., Public Works.

In despatch from the Secretary of State to the Government of India, No. 433, dated 22nd December 1881, it is ruled that officers and non-commissioned officers of

---

* No. 254, dated 23rd June 1882.

Royal Engineers who were employed on famine duties during 1877—79 should be allowed, in the case of the former, to count towards furlough a period of service, according to the time passed on such duty, not exceeding one year, non-commissioned officers being granted a bonus of three months' pay.

2. There has been some delay in verifying the famine service of officers and subordinates who were employed in this Presidency, owing to the requisite information not being available in the Examiner's Office. References have thus had to be made to divisional records and the results verified by the Examiner.

3. The appended statement contains the names of all officers, both of this Presidency and of other Provinces, to whom the concessions sanctioned by the Secretary of State would on a first view seem to apply.

4. It is observed, however, that the Resolution of the Government of India, No. 2087, dated 10th August 1878, as interpreted by their letter to the Government of Bombay, No. 40 F., dated 30th May 1882, restricts the concession of extra furlough to those officers who received no extra pay while employed on famine duty and whose emoluments did not exceed Rs. 600 per mensem. All officers from other Provinces would thus be excluded, as they received extra pay while at Madras, and the exclusion would extend to some of the local officers also, viz., those who drew more than Rs. 600 per mensem.

5. The concession of the bonus to subordinates would also apparently be restricted to those of the Madras Presidency, as all others employed here drew extra pay, having been allowed the pay of the next higher grade while on famine duty.

6. In the case of both officers and subordinates special recommendations seem called for.

7. It is not clear however to this Government whether the concessions allowed by the Secretary of State are intended by the Government of India to be restricted as indicated above. The complete list of officers and subordinates will therefore be forwarded to the Government of India for such orders as may be considered necessary.

From

To
The Secretary, Public Works Dept,
Govt. of Madras.

Sir

I have the honor to bring to your notice that on the 5th April, 1882 I submitted to the Govt of Bengal an application for the grant to me the bonus of 3 months pay sanctioned by the Secretary of State in his Military despatch No 433, dated 22nd Decr, 1881, to the Non Comd. officers of the Royal Engineers who were employed on famine relief duties.

2 On the 20th April, 1882, I was

by the Secretary of Stat

~~Honou~~

called upon by that Govt. to state whether I formerly belonged to the Bengal Sappers, or on what grounds I based my claims — to this I replied on the 24th of the same Month, also in July in the same year, which was forwarded by the same Govt. with their No 2566 E of 31st July, 1882 to the Govt. of Madras P. W. Dept. on the same subject stating the grounds of my claims, but up to date I have not been favored with any orders on my application to it yet, I beg respectfully to ask the favor of an early reply

3 I understand that the bonus was granted to the Warrant & Non Comd. Officers of the Bombay Presidency who served on the same famine & I therefore venture to express the hope that the same be granted me,

4 I also beg to state that at the time I was employed on famine duties in Madras, I was a Conductor P. W. Dept.

5 As I am now a retired officer I address you direct, and would solicit the favorable consideration of my claims, which was based on the fact that up to the date of my retirement I still belonged to the Bengal Sappers Unattached

I have the honor to be
