READ—the following letter from Lieut.-Colonel J. PENNYCUICK, R.E., Superintendent of Works, Tank Maintenance Scheme, to the Chief Engineer, Public Works Department (through the Chief Engineer for Irrigation), dated Red Hills, 3rd December 1884, No. 1935 T:—

In consequence of the operations of the tank maintenance scheme being extended into the Amaravati river basin, I have the honor to request sanction to the removal of the headquarters of the No. 1 Tank division from Madura to Dindigul.

The Executive Engineer reports that suitable office accommodation can be obtained at a rental of Rs. 10, and this will be the only expense attendant on the transfer, which I consider to be highly desirable.
