Read—the following letter from Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 4th July 1884, No. 673 M.W.:—

In reply to your letter, No. 1300 W., dated 23rd May 1884,* I am directed to state that the Government of India now sanction the construction of the proposed church at Wellington at a cost not exceeding Rs. 38,161, the amount of the estimate now submitted.

2. I am, however, to say that the Governor-General in Council still considers the cost of the church very high, and would ask that the strictest attention to economy may be enjoined on the officer entrusted with the execution of the work.

3. It is observed that the estimate now submitted does not provide for the satisfactory completion of the building in all respects, but it must be understood that the Government of India will not be able to sanction hereafter any further expenditure of public funds for completing the building.

* Enclosures returned.

Order—dated 12th August 1884, No. 1977 W., Public Works.

The estimate, amounting to Rs. 38,161, for constructing a church at Wellington, is sanctioned.

2. Funds are not immediately available, but an appropriation will be made as early as practicable.

3. The attention of the Superintending Engineer, IV Circle, is drawn to the instructions of the Government of India relative to the exercise of the strictest economy in the execution of the work.

4. This sanction has been registered as Provincial No. 112 W. of 1884-85, and classified as Civil Buildings, Original Works.
