Mis. No. 1842 :—

Read—the following letter from the Collector of Madura, to the Secretary to the Board
of Revenue, dated 16th February 1884, No. 86 :—

With reference to Board's proceedings, No. 208, dated 22nd ultimo, I have the honor to state that Ammayanayakanúr, which is a railway station, would form a better head-quarters for the deputy tahsildar, and that the new office may be built there instead of at Nelakkotta, which is five miles distant. There would also be a saving in the cost of the police force, and the Superintendent of Police and the Acting Sub-Collector recommend the change.

2. Ammayanayakanúr is a zemindari village, and if the Board approve of the proposal and obtain the sanction of Government, I shall negotiate with the zemindar for acquiring a suitable site.

Resolution—dated 29th February 1884, Mis. No. 1842.

Submitted for the orders of Government, in continuation of the Board's proceedings quoted by the Collector.

2. The Board agree with the local officers in considering that the proposed cutcherry should be built at Ammayanayakanúr in preference to Nelakkotta, which is five miles distant. If this is approved, it would be better to build the sub-registrar's office also at the former station.

Order—dated 8th March 1884, No. 329, Revenue.

The proposed transfer of the deputy tahsildar's head-quarters is approved. The Collector will take the needful steps without delay to acquire a suitable site for the building at Ammayanayakanúr.

2. The question of combining the sub-registrar's office with the deputy tahsildar's cutcherry will be considered in the Judicial Department.

ORDER—dated 15th March 1884, No. 709 W., Public Works.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 6th November 1884, Mis. No. 10410 :—

Read—the following letter from C. S. CROLE, Esq., Collector of Madura, to the Secretary to Government, Revenue Department (through the Secretary to the Board of Revenue), dated Madura, 14th October 1884, No. 75 :—

I have the honor to acknowledge G.O., No. 4326, dated 3rd October 1884, on petitions * from certain inhabitants of the

* Herewith returned.

Nellakóta firka, Dindigul taluk, in which

exception is taken to the removal of the public offices from Nellakóta to Ammayanáyakanúr.

2. I may say at once that, on the whole, I should advise Government to accede to their request.

3. During two tours made lately in that part of the country, a doubt has arisen in my mind as to the advisability of the change. There would be certain advantages, but they are more than counterbalanced by the (as I now find) questionable salubrity of Ammayanáyakanúr, a village which is, moreover, not centrally situated, while Nellakóta is an old established Deputy Tahsildar's station, the site of a large weekly fair, and so on.

4. I shall add, with reference to a passage in the petitions, that the divisional officer, Mr. Kough, of his own motion withdrew his statement regarding the unhealthiness of Ammayanáyakanúr, while the District Medical and Sanitary officer was unable to give a decided opinion.

Resolution—dated 6th November 1884, Mis. No. 10410.

Submitted to Government with reference to G.O., dated 3rd October 1884, No. 4326, and G.O., dated 18th October 1884, No. 4585.

2. It was upon the Collector's suggestion that Government in G.O., No. 329, dated 8th March 1884, approved the transfer from Nellakóta to Ammayanáyakanúr. The Collector now thinks that the offices may remain at Nellakóta.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from C. S. CROLE, Esq., Acting Collector of Madura,
to the Secretary to the Board of Revenue, dated 22nd December 1883,
No. 602 :—

It will be observed from G.O., No. 32, dated 6th July 1875, that the construc-
tion of the Deputy Tahsildar's Office at Nellakóta was ordered to be deferred for
want of funds. As the Deputy Tahsildar is put to much inconvenience for want of
proper accommodation, I requested the Executive Engineer to let me know whether
there was any chance of the work being
put in hand soon. He has replied * that
an estimate for the building, amounting to

* Copy of his letter, No. 2581, dated 5th
December 1883, is enclosed.

Rs. 11,828, has been sanctioned in G.O., dated 1st February 1878, No. 515 W., and the
work has been included in Class B works in the Provincial Budget of the Public
Works Department for 1883-84, and, as such, he cannot incur any expenditure on the
work unless a specific appropriation of funds is made.

2. The old building is now quite unfit for occupation, and the Deputy Tahsildar
has removed with his establishment to a portion of the Sub-Registrar's Office.

3. Under these circumstances, I have the honor to request that Government be
moved to allot funds as soon as possible.

ENCLOSURE No. 1.

From J. GRIMES, Esq., Executive Engineer, Madura Division, to the Collector of Madura,
dated 5th December 1883, No. 2581.

Your No. 4325, dated 29th November 1883.

I have the honor to inform you that the estimate for constructing a Deputy Tahsildar's
Cutcherry at Nellakóta, amounting to Rs. 11,828, has been sanctioned in G.O., No. 515 W., dated
1st February 1878, and the work has been included in Class B works in the Provincial Budget
of the Public Works Department for 1883-84, and, as such, I cannot incur any expenditure on
the work, unless specific appropriations are made as stated in paragraph 5 of G.O., No. 261 W.,
dated 23rd January 1883, that accompanied the budget. Under the above circumstances, if you
represent the necessity to Government, and get the necessary allotment, I shall arrange to have
the work put in hand as early as possible.

RESOLUTION—dated 22nd January 1884, No. 208.

Submitted to Government, with the request that the necessary orders may be
issued in the Public Works Department for the transfer of the work to Class A and
the allotment of funds, so that the work may be put in hand at an early date.
