12th Dec: 1884, No. 323.

In forwarding the accompanying statement received from the Supt. Lunatic Asylum, Madras, I have the honor to request sanction for the erection of one or two temporary sheds, as may be found necessary, as soon as possible: this work can be carried out departmentally.

I would also suggest that the sanction recorded in G.O. No. 1854 dated 20th June 1884 for extension of the lunatic buildings be classed as urgent, and that the work be put in hand at once.

The lunatic population has increased greatly of late owing to the stricter supervision of the

Lunatic Asylum, Madras

Plan and estimate called for for building
another cottage for male criminal lunatics
at the —.

VI The Superintendent states as follows:-

The Asylum is overcrowded. The overcrowding in the Asyl has been relieved by giving up 2 wards in the ordinary enclosure to certain selected Criminals. By doing this, and by giving up all available European & East Indian accommodation to the natives, Male and Female, there is room for only 15 more native males (Civil & Criminal) and for ten native females (Civil & Criminal)

In this arrangement the established accommodation has been exceeded, but no unhealthy overcrowding is involved in it.

G.O., dated 24th May 1884, Mis. No. 1270, Judicial.

Read—the following letter from the Surgeon-General with the Government of Madras, dated 19th May 1884, No. O-83.

With reference to G.O., noted in the margin, I have the honor to forward for submission to the Right Honorable the

No. 1011 of 24th April 1884. Governor in Council, the accompanying letter and statement from the Superintendent, Lunatic Asylum, Madras, on the subject of accommodation for insane patients.

2. As there is a tendency for the number of male criminal lunatics to increase, I am of opinion that the time has come to build another cottage for 12 or 18 in the criminal enclosure, to meet the growing want. There is ample room in the enclosure to extend accommodation.

ENCLOSURE.

From Surgeon-Major S. L. DOBIE, Superintendent, Government Lunatic Asylum, to the Secretary to the Surgeon-General with the Government of Madras, dated Madras, 16th May 1884, No. 81.

I have the honor to forward a list of quarters for natives, with their dimensions and accommodation.

2. It is only in the gaol and female enclosure that overcrowding exists, and this cannot be remedied by making room for convicts or females in the ordinary male enclosure.

Order—dated 24th May 1884, Mis. No. 1270, Judicial.

Transferred to the Public Works Department with the request that a plan and estimate may be prepared for the building referred to in the Surgeon-General's letter.
