Proceedings of the Government of India, Public Works Department (Account—General), dated Simla, 11th November 1884, No. 269 A.G.

Distribution of the Imperial Grant for Civil Buildings, Roads and Services, for 1885-86.

Letter from Secretary to Government of Madras, No. 2384 W., dated 25th September 1884.

Resolution—

The demands for 1885-86 for Imperial Civil Buildings, Roads and Services, amounting in the aggregate to Rs. 44,54,653, are considerably in excess of the funds available for distribution to the several Provinces and Administrations. The grants to be thus distributed, together with the provision necessary for expenditure in England and for unforeseen emergent requirements during the year, are, however, limited to Rs. 39,80,000; and the Government of India has decided, after very careful consideration, to make the distribution shown in the following table:—

—	Demand, 1885-86.	Provisional grant for 1885-86.	Difference (+ or —).
	RS.	RS.	RS.
Madras	64,183	57,735	— 6,448
Bombay	4,12,380	1,40,685	— 2,71,695
Bengal	14,02,900	7,49,116	— 6,53,784
North-Western Provinces and Oudh	2,82,000	2,21,983	— 60,017
Punjab	1,62,400	89,018	— 73,382
Central Provinces	21,220	22,223	+ 1,003
Assam	67,720	35,856	— 31,864
Central India	7,86,500	5,40,000	— 2,46,500
Hyderabad	49,950	27,400	— 22,550
Rajputana	3,04,400	2,61,300	— 43,100
Biluchistan	4,86,000	2,92,326	— 1,93,674
Inspector-General of Military Works	1,49,800	1,56,870	+ 7,070
Port Blair	43,200	43,200	...
Coorg	2,22,000	1,75,000	— 47,000
Reserve for Expenditure in England	...	9,00,000	+ 9,00,000
Reserve with Government of India	...	2,67,288	+ 2,67,288
Total ...	44,54,653	39,80,000	— 4,74,653

2. The details of the provisional grants now assigned will be found in the statement attached to this Resolution. The detailed budget estimates should be prepared in strict accordance with the programme in the accompanying statement, except in those cases where the distribution is left to the Local Administrations. The budgets should be submitted so as to reach the Government of India punctually on the 15th January next.

3. It is notified for future guidance that the demands made by the several Local Governments and Administrations in their annual schedules should be restricted to the requirements of heads of Departments for the year concerned. Hitherto the practice has prevailed, in some provinces, of including a large number of Postal and Telegraph Works in their schedules which are not demanded in the schedules submitted by the Directors-General of those Departments.

Order—

Ordered that this Resolution be communicated to the Local Governments and Administrations and officers noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands.
The Director-General of Telegraphs in India.
The Inspector-General of Military Works.
The Director-General of the Post Office of India.

Ordered also that copies be forwarded to the Department of Finance and to the Accountant-General, Public Works Department, for information.

(Signed) W. S. TREVOR, Colonel, R.E.,
Secretary to the Government of India.

ORDER—dated 27th December 1884, No. 3158 W., Public Works.

The budget estimates for 1885-86 under "Imperial, Other Services," prepared in accordance with the programme approved, are circulated for information and guidance.

3158/3159

2. The Superintending Engineers (I and IV Circles) propose the following works for execution during the ensuing year:—

			Rs.
1.	New Post office at Koraput, Vizagapatam district		1,000
2.	Do.	with out-houses at Mypadi, Nilgiri district ...	4,096
3.	Do.	at Kalpathi, Nilgiri district	2,910
		Total ...	10,006

The Government of India will be requested to sanction these additional grants, as well as a sum of Rs. 30,155 under "Postal" for the combined post and telegraph offices at Madras, already applied for in letter No. 3005 W., dated 8th December 1884.

The appropriation of Rs. 12,100 for the signallers' quarters at Cocanada is Rs. 2,934 in excess of the sanctioned estimate for the work. A revised estimate seems to be necessary, and should be submitted without delay. An estimate for the new post office at Calicut should also be submitted at an early date. An appropriation of Rs. 8,460 has been provided for this work.

The grants for minor *Original* works and *Repairs* will, as usual, be held at the disposal of Government, and will be distributed early next year on receipt of detailed proposals.

The difference between the budget and revised estimates for 1884-85 is small and does not call for special notice.

Four copies of the preliminary issue of the budget, as now adopted, will be forwarded to the Government of India.

RESOLUTION.—The demands for 1885-86 for Imperial Civil Buildings, Roads and Services, amounting in the aggregate to Rs. 44,54,653, are considerably in excess of the funds available for distribution to the several Provin-

ces and Administrations. The grants to be thus distributed, together with the provision necessary for expenditure in England and for unforeseen emergent requirements during the year, are however, limited to Rs. 39,80,000; and the Government of India has decided, after very careful consideration, to make the distribution shown in the following table :—

	Demand 1885-86.	Provisional grant for 1885-86.	Difference (+ or —).

Punjab	1,62,400	89,018	—73,382

Total ...	44,54,653	39,80,000	—4,74,653

2. The details of the provisional grants now assigned will be found in the statement attached to this Resolution. The detailed budget estimates should be prepared in strict accordance with the programme in the accompanying statement, except in those cases where the distribution is left to the Local Administrations. The budgets should be submitted so as to reach the Government of India punctually on the 15th January next.

3. It is notified for future guidance that the demands made by the several Local Governments and Administrations in their annual schedules should be restricted to the requirements of heads of Departments for the year concerned. Hitherto the practice has prevailed, in some provinces, of including a large number of Postal and Telegraph Works in their schedules which are not demanded in the schedules submitted by the Directors General of those Departments.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General for Central India, Rajputana, and Beluchistan.
The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands.
The Director General of Telegraphs in India.
The Inspector General of Military Works.
The Director General of the Post Office of India.

ORDER.—Ordered, that this Resolution be communicated to the Local Governments and Administrations and Officers noted in the margin for information and guidance.

Ordered also, that copies be forwarded to the Department of Finance and to the Accountant General, Public Works Department, for information.

Secretary to the Govt. of India.
