" " "	Proceedings of the Board of Revenue, 11th December 1884, No. 4248.

ORDER—dated 27th December 1884, No. 3162 W., Public Works.

Ordered that the preliminary issue of the Incorporated Local Fund budget estimates for 1885-86 be printed and circulated to Superintending Engineers for information and guidance, and four copies forwarded to the Government of India.

2. The budget estimate of Incorporated Local funds provides for works approved by the Board of Revenue. There are no works under Excluded Local funds proposed for execution by the Public Works Department during 1885-86.

3. The difference between the budget and revised estimates of expenditure for 1884-85 under Incorporated Local funds is due chiefly to the surrender of the budget grant, Rs. 60,000, sanctioned in G.O., No. 2618 W., dated 27th October 1884, for the steamer required for the Rajahmundry ferry. A corresponding provision is made in the budget for 1885-86.

(Here enter No. 3163 W., dated 27th December 1884.)

Incorporated Local Fund
Budget Estimate

Forwarding copies of the preliminary
issue of the — for 1885-86.

Memorandum.

Port Fund Budget Estimate for 1885-86, received from the Master Atten-
dant, Madras.

3162
3163

Transferred to the Marine
Department, with remark that, as
the budget estimate includes no
work to be carried out by the
agency of the Public Works Department,
the submission of the budget to this
Department was not necessary.

No.

Forwarding Budget
Estimate of Repairs
and Works for 1885/86.

Proceedings of the Board of Revenue.

Dated 11th December 1884.

No. 4248

READ letter from Deputy Chief Engineer Public
Works Department, dated 3rd December 1884
No. 1991C.

Resolution: -

The lists received with the above
letter are returned to the Chief Engineer
P.W.D. with the following remarks: -
2. Local Funds - The Local Fund Works
proposed to be carried out by the Public
Works Department in the Krishna, Rontu,
Anicut and Trichinopoly circles are
duly provided for in their respective
Budgets and are accordingly approved.
In Tanjore however two of the works
entered in the above lists are proposed
in the circle Budget to be carried out
by "Other agency", though in the current year

they

they have been entrusted to the Public Works Department and the allotments proposed for two other works differ from those entered in the Circle Budget as shown below. The President will be requested to explain these discrepancies, meanwhile the entries in the lists may stand:-

	As per present list	As per G. & B. Budget
Repairing Road No. 13 from Lumbakonam to Karikal 27 miles at Rs 50 per mile	1350	"
Item No. 33 of Part II of the Budget for 1885-86		
Do - No. 47 from Kachiyarcoil to Kannilum	500	"
Item 15, Appendix to Part II		
Do - No. 51 from No. 18 at Malliyar head to Road No. 35 i.e. Item 34 of Part II	1350	1340
Do - No. 79 along the Arstar North Bank	625	620
Item 104 of Appendix	3825	1960
		<u>1865</u>
		Difference 1865

Canal and Ferry Fund - The allotments made in favor of the Public Works Department in the Canal and Ferry Fund Budget submitted to Government with Board's Proceedings dated 20th November 1884, No. 3981 are compared below with those entered in the above lists:-

Construction

	As per Canal & Ferry Fund Budget	As per present list
Construction of the Kovur-Manjair Junction Canal	25000	25000
Landing stage below the Tistna ancient	-	110
Maintenance and repair of the completed portion of the Kovur-Manjair Junction Canal	5000	3162
Construction and repair of ferry boats in Godavari	-	1500
Purchase of a steamer for the Rajahmundry ferry	6000	6000
	<u>90000</u>	<u>102500</u>

The allotments proposed in the present lists are approved -

4. In the current year's revised estimate of the Budget above referred to, an allotment of Rs 15856 was made for the landing stage below the Tistna ancient under the impression that the expenditure on this work in 1883-84 was only Rs 3344 and that the remainder (Rs 15856) of the estimate of Rs 19200 would be spent in 1884-85, but as it appears from the present lists that Rs 4197 were actually spent on the work in 1883-84, that only Rs 4000 are likely to be spent in 1884-85 and that the remain

88.49

sum of Rs 11000 is to be spent in 1885-86, the
necessary corrections should be made
in the Budget. The Budget Estimate of
works in Godavari for 1885-86 has also to
be raised by Rs 8700, in order to cover the
 allotment of Rs 1500 entered in the
present list for the construction of boats
in Godavari and the sum of Rs 7200
required for payment to the Public Works
Department on account of the cost of their
revision and Tools and Plant at
percent on the proposed expenditure
Rs 3000 on the Kour-Maigair Junction
road.

2. The budget estimate of incorporated local funds provides for works approved by the Board of Revenue. There are no works under Excluded local funds proposed for execution by the P.W. Dept. during 1985-86.

3. The difference between the budget and revised estimates of expenditure for 1984-85 under incorporated local funds is due chiefly to the surpluses of the budget front Rs. 60,000, sanctioned in G.O. No. 261 W. of 27 Oct. 84, for the steamer required for the Rajahmundry ferry. A corresponding provision is made in the budget for 1985-86.
