7TH FEBRUARY 1884, No. 318 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 15th December 1883, No. 573.

I have the honor to forward, for sanction, a plan and an estimate, amounting to Rs. 2,150, for constructing a regimental school for 120 boys at Vellore.

1 Estimate.	1 Site plan.
1 Abstract estimate.	1 Plan.
1 Specification.	

2. This estimate has been prepared at the request of the Military authorities,

and the plan and estimate have been approved and countersigned by the Deputy Quartermaster-General.

3. A site plan is also herewith enclosed.

No. 96 C., Public Works.

Memorandum by the Chief Engineer, Public Works Department.

Submitted for the orders of Government in the Military Department.

2. The present estimate, like the one for a regimental school-house at Bellary, forwarded under this office endorsement, No. 2542 C., dated 18th December 1883, is based on a standard design which was cancelled by Proceedings of Government, No. 1241, Public Works, dated 10th April 1877. If an open thatched pandal and accessories, as prescribed in those Proceedings, do not now meet the requirements of native regimental schools generally, it would appear desirable, to prevent misunderstanding, to formally cancel the order of April 1877, and re-affirm Proceedings of Government, No. 2087, Public Works, dated 23rd July 1875. An expression of opinion in the Military Department on this point is requested.

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Chief Engineer, P.W.D.

14th January 1884.

To the Military Department, with papers in original (return requested).

G.O., dated 31st January 1884, No. 494, Military.

Memorandum from the Public Works Department, dated 14th January 1884, No. 96 C.

From the Quartermaster-General, to the Secretary to Government, Military Department, dated 24th January 1884, No. 810-435.

In returning, as requested, the papers referred under Military Department, No. 262, dated 17th January 1884, I have the honor, by order, to state, for the information of Government, that the "thatched pandal" prescribed in Proceedings of Madras Government, No. 1241, Public Works, dated 10th April 1877 (Military Department No. 2627, dated 2nd May 1877), for school purposes was, in fact, abandoned under G.O., No. 409 W., dated 12th July 1877 (Military Department

No. 4200, dated 21st July 1877), and since then, though the old standard plan has generally been followed, the requirements of each station have been considered specially in each case, and the plan modified.

Order—dated 31st January 1884, No. 494, Military.

The plan and estimate are approved.

2. The reply of the Quartermaster-General will be communicated to the Public Works Department with an expression of the concurrence of Government in the Military Department in the opinion of His Excellency the Commander-in-Chief recorded in paragraph 2.
