A letter to the Govt.
Engineer Cyprus was sub-
mitted because the
previous correspondence
on the subject took
place with that officer

tracer supplied to you.

The item has been outstanding in the General Superintendent's books for several months and it is desirable to close the transaction without further delay.

direct.

The Govt Engineer Cyprus is probably under the Foreign Office, but if the matter be referred to the same Govt, the India Office would have to be addressed by this Govt.

The subject is not one for disposal by a Secretary's letter to the Under Secy of State (vide para 163 of the Office Manual) & if it be decided to address the India Office, a dispatch for signature by the members of Govt would have to be framed.

yes.

14/11

The amount involved is however very trifling, & if approved, the form of the present proposed communication might be altered to a letter from you as Ch. Engr, to the Govt. Engr Cyprus, asking him to adjust the amount.

The Genl Supt. P. W. Stores might be told to communicate direct with the Govt Engr Cyprus, but the latter has hitherto not replied to the former's reminders.

Referring to my letter to you
of the 25th October last, I beg to forward
herewith a draft on the Oriental Bank
Corporation, Madras, for Rs 37-10-6
in payment for the Elephant Tracer
including Freight and Shipping charges
for which sum will you kindly fur-
nish me with a receipt.

I regret that the account for Rs. 1-8-0 packing charges, was received too late to enable me to have it included in the amount of the enclosed draft, and as there is no means of transmitting money from Cyprus to Madras except through a London Banker, I shall be greatly obliged if you will inform me what I shall do in the matter.

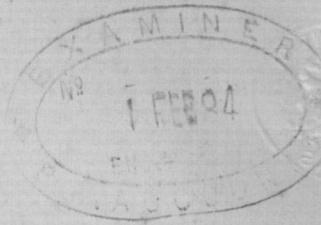

Owing to Quarantine Regu-
lations I regret to say the Ghaut
Tracer had not yet reached me.
