No. 45.

READ—the following paper:—

G.O., dated 5th March 1883, No. 491, Financial.

Read—the following letter from W. R. CORNISH, Esq., F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, Financial Department, dated Madras, 19th February 1883, No. 82:—

With reference to G.O., No. 1750, of 21st November 1882, Miscellaneous, I have the honor to request favor of information as to whether this office should provide in the future Budget Estimates the amount required for Petty Works of Construction and Repair in the Nílgiri and Presidency Divisions in accordance with paragraph 10 of G.O., No. 2522 W., of 7th October 1879, Public Works Department, and transfer the said sum to the Public Works Department.

Order—dated 5th March 1883, No. 491, Financial.

Referred to the Public Works Department.

2. The directions contained in paragraph 10 of G.O., dated 7th October 1879, No. 2522 W., were due to the transfer of Works of Petty Construction and Repair to Civil Officers. The practice which previously obtained should now, it is presumed, be reverted to in the case of the Presidency Town and Nílgiri Division.

3. In the Civil Budget Estimate for 1883-84 and under "Public Works in charge of Civil Officers" the Accountant-General has, it is observed, provided certain small sums for works of petty construction and repair costing less than Rs. 200 each in the Presidency Town and on the Nílgiris. This, however, would not appear to be contemplated by G.O., No. 2834 W., dated 27th October 1882.

(True Extract.)

(Signed) C. G. MASTER,
Chief Secretary.

To the Public Works Department.

No. 46.

No provision will be needed in the Civil Estimates for 1883-84 for Petty Construction and Repair Works at Madras and on the Nílgiris; such works of this character as may be necessary will be carried out from Public Works grants.
