LETTER—from

COLONEL J. SHAW-STEWART, R.E.,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to acknowledge the receipt of your letter, No. 41 M., dated 19th January 1884, inquiring whether the hydrographic surveys of the ports of Vizagapatam, Bimlipatam and Calingapatam, which were recommended by Mr. Parkes, are receiving the attention of the Government of Madras, and whether there is any prospect of improvements to those ports being carried out. In reply, I am directed to state that a hydrographic survey of the port of Vizagapatam, by the Public Works Department, was commenced and partly carried out in the summer of 1883, but that, on intimation being received from the Director of the Indian Marine, in his letter, No. 2763, dated 3rd July 1883, that a party of the Indian Marine Survey Department would arrive at Vizagapatam, in December 1883, to survey the port, the survey by the Public Works Department was abandoned on the advice of the local Marine Department. A copy of the Proceedings of this Government on the subject, No. 393 Marine, dated 27th July 1883, is forwarded herewith for information.

2. With regard to improvements to the ports named, I am to state that the construction of a pier at Vizagapatam, to facilitate shipping operations, is in contemplation; and at Bimlipatam efforts are being made to improve the comfort of the port by the construction of a rough stone groyne 300 feet in length. This work is now in progress.

3. No action is being taken for the present with regard to Calingapatam, but the subject will not be lost sight of.

I have the honor to be,
Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Govt., P.W.D.
