No 1806 H.S.

Superintending Engineer's Office
2nd Circle, Manipal and
8th October 1883.

How

The Superintending Engineer
2nd Circle

To,

The Chief Engineer,
Public Works Department,
Madras.

Sir,

The Storekeeper of the
Kistna Eastern Division was recently
pronounced unfit for further service,
and it is necessary to appoint a new
man.

2. The Executive Engineer applied
to the Public Works Workshops, Madras,
to know, if the Superintendents could
recommend a man with the knowledge
necessary for the post, but Lieut. Baddeley
R.E. informed him, that he knew of
no one fitted for the post.

3. The Executive Engineer considers that it would be a mistake, to place in the charge of the receipts and issue of the large quantity of valuable stores dealt with at Berwadee store, some young man whose only claim to the post is that he has passed the ordinary qualifying examination.

4. Stores are constantly being issued to the Workshop, and unless the storekeeper knows his work and the names of stores and tools, the Executive Engineer anticipates loss or confusion.

5. On the above grounds, the Executive Engineer recommends the appointment of one D. Harper now a clerk in the Workshop, who, in Mr. Grant's opinion, is familiar with the tools and materials in use, and

and would not be at the same disadvantage as a Caste man would be.

6. This latter is a point to be considered. The former storekeeper was a Mussulman, but a qualified man of the same class is not obtainable.

7. Mr. D. Harper has not passed the general Test, or other qualifying examination, and he is over 25 years of age, but as he appears otherwise fitted for this post for which a man with special knowledge is required, I venture to request

that the authority of Government may be obtained to Mr. Harper being appointed Storekeeper on a salary of Rs. 30.

8. The security hitherto demanded from the Storekeeper to Rupees 200.

I think it should be raised
to Rs 500. Mr Harper is able
to deposit this amount.
