READ—the following paper :—

G.O., dated 8th February 1884, No. 290, Financial.

Read—the following letter from J. F. FINLAY, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Calcutta, 29th January 1884, No. 468 :—

I am directed to acknowledge the receipt of your letter, No. 2504, dated the 30th October 1883, and enclosures, explaining the circumstances under which it was recommended that surveyors of the Public Works Department should be included in the list of officers not entitled to travelling allowance for journeys within jurisdiction, and proposing that entry No. 18 in schedule B to the Civil Travelling Allowance Code may be so modified as to admit of the grant to them of travelling allowance for journeys to and from the sphere of their duties, or the locality of survey.

2. In reply, I am directed to say that, in the opinion of the Government of India, the proposed amendment is unnecessary, as officers entered in schedule B are prohibited from drawing travelling allowance only for ordinary journeys within their respective jurisdictions, and the journeys to which the Secretary to Government of Madras in the Public Works Department refers in his note, No. 486 E., dated 26th October 1883, appear to be journeys on transfer, or, at any rate, do not come within the description of section 21, exception 1, of the Civil Travelling Allowance Code.

Copy forwarded to the Public Works Department for information.

Order—dated 8th February 1884, No. 290, Financial.

Communicated to the Public Works Department.

ORDER—dated 14th February 1884, No. 399 W., Public Works.

Communicated to the officers of the Public Works Department, for information and guidance. It will be seen that, although surveyors are not entitled to travelling allowance for journeys within the limits of their surveys, there is nothing in the Travelling Allowance Code to preclude them from drawing allowances for journeys on transfer from one place to another.
