Proceedings of the Madras Government, Judicial Department,
11*th June* 1869.

No. 77. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 25th May 1869, No. 342.

With reference to order of Government in the Judicial Department, No. 653, of 20th April 1869, we have to submit two plans which have been furnished us by the Magistrate of Kurnool showing the sites selected for the new cutcherries and subsidiary jails at Doopad and Owk, in the Markapur and Koilguntla Taluqs of his district.

2. The former seems suitable, and we have indicated on the plan the position which the buildings should occupy. The latter site is, in our opinion, too small. It measures only 220 feet by 190 feet, while the minimum extent required is 200 feet in frontage and 300 feet in depth. This is necessary to prevent undue overcrowding of the subsidiary buildings.

No. 78. ORDER THEREON, 11th June 1869, No. 976.

The Government approve the site selected for the proposed new cutcherry and jail at Doopad, and authorize the Collector of Kurnool to arrange for its purchase.

2. As the Committee on Subsidiary Jails do not consider the site selected for the cutcherry and jail at Owk to be sufficiently extensive, the Collector is requested to select another site so as to admit of the erection of the cutcherry, jail, and out-houses without being overcrowded.

I have entered such amounts as I think can be expended during the current official year if all things go on fairly, and if the Range Officers will exert themselves in the early part of the official year. If the whole amount cannot be granted, the unfinished works should, I think, be completed, and the new Cutcherries taken up in the order in which they are placed.

Sir,

I have the honor to inform you that further enquiries have been made regarding the Tahsildar of Markapur, and I am glad to be able to state, that Kallur Krishna Rau has since the issue of Proceedings of the Board, dated 22nd July 1871, No. 3071, conducted himself in a more satisfactory manner.

2. Mr. Turner reports that the Tahsildar accompanied him "on a pretty extended tour" through the Markapur Taluq, and that he, Mr. Turner, had ample opportunity of watching his conduct towards natives of all castes, and that he had no reason
