GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

15th February 1884, No. 748.

Organization.

Read the following papers :—

No. 170. *From Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to Colonel E. L. HANKIN, Secretary to the Government of Madras, Military Department; dated Simla, 9th October* 1883, *No.* 298-*S.B.*

Organization.

In reply to your letter, No. 4321, dated the 7th August 1883, and to previous correspondence on the subject, I am directed to say, for the information of the Governor in Council, that the Secretary of State has been asked to sanction the proposals made for the permanent transfer of the offices of the head-quarters of the Madras army to Ootacamund, subject to the following modifications :—

Instead of an allowance of 40 per cent. on the salaries of the clerical establishments, an addition to be made of one-third to the pay of all clerks; such increase to be treated as a special allowance, not to be calculated in determining pensions, or to be added to their permanent pay when absent from Ootacamund.

An allowance of Rs. 15 per man per annum for warm clothing, instead of Rs. 20 as proposed.

The Government of India doubt there being any necessity for a dispensary or for the appointment of a medical warrant officer to assist the district medical officer.

No. 5654.

Copy furnished for the information of His Excellency the Commander-in-Chief.

OOTACAMUND,
18*th October* 1883.

(Signed) E. L. HANKIN, Colonel,
Secretary to Government.

To the Quarter Master General.

No. 171. *From Brigadier-General R. C. STEWART, Quarter Master General, to Colonel E. L. HANKIN, Secretary to Government, Military Department; dated Fort St. George,* 16*th November* 1883, *No.* 8072.

Having submitted to the Commander-in-Chief the order of Government as per margin on the subject of the transfer of the offices of army head-quarters to Ootacamund, I am desired to say that His Excellency has observed with regret the remarks on the last two paragraphs of the letter of the Government of India, Military Department, therewith communicated.

No. 5654, dated 18th October 1883.

2. As regards the allowance for clothing of peons, the Commander-in-Chief has satisfied himself that Rs. 15 per annum will not suffice to provide suitable clothing; the Superintendent, Army Clothing, has estimated the cost of two suits of clothing at Rs. 17-9-7 and of a belt at Rs. 2-5-3; so that, even with an allowance of Rs. 20 per annum, no margin will be left for boots or for a blanket—articles which are essentials to natives of south of India in a climate like that of the Nílgiris.

3. His Excellency would, therefore, urge reconsideration of the decision given on this point.

4. The doubts expressed as to the necessity of a dispensary and medical subordinate require that Sir Frederick Roberts should emphatically reiterate his conviction that the gratuitous supply of medicines and free medical aid to the numerous employés and their families is an essential part of the scheme for the transfer of the army head-quarter offices to Ootacamund; he would solicit therefore that an expression of his strong opinion on this point may be communicated to the Government of India, accompanied by the hearty support of the Government of Madras, which, he ventures to think, cannot fail to be given to a proposal which, as already explained in this office letter, No. 414, dated 22nd June 1883, will confer an inestimable boon on the large numbers of its employés in both civil and military offices at an almost nominal cost.

No. 172. *To the Secretary to the Government of India, Military Department; dated 20th December* 1883, *No.* 6845.

No. 173. *Telegram from the Secretary to the Government of India, Military Department, Calcutta, to the Officiating Secretary to the Government of Madras, Military Department; dated 16th January* 1884, *No.* 50-*B.*

Transfer army head-quarters from Madras to Ootacamund sanctioned by Her Majesty's Government. Letter follows shortly.

FORT ST. GEORGE, 17*th January* 1884. (Signed) A. KENNEY-HERBERT, Lt.-Col., *Offg. Secretary to Government.*

To the Quarter Master General; Controller of Military Accounts, with a copy of No. 5654 of 18th October 1883.

No. 174. *From Lieutenant-Colonel O. R. NEWMARCH, Officiating Secretary to the Government of India, Military Department, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to the Government of Madras, Military Department; dated Fort William, 9th February* 1884, *No.* 121-*B.*

Organization.

In continuation of my telegram, No. 50-B., dated the 16th January 1884, I am directed to forward, for the information of the Governor in Council, the accompanying copy of a military letter from the Secretary of State, No. 387, dated the 20th December 1883, sanctioning the permanent transfer of the Madras army head-quarter offices from Madras to Ootacamund.

2. The allowances to the clerks will be on the scale already sanctioned in Military Department, No. 298-S.B., dated the 9th October 1883.

3. As regards the amount to be allowed for clothing to peons (para. 2 of the letter from the Quarter Master General forwarded with your No. 6845, dated the 20th December 1883), I am to say, for the information of the Governor in Council, that the allowance of Rs. 15 per annum sanctioned for each peon in the above letter from this office is in excess of what is allowed for peons of the head-quarter offices in the Bengal presidency, and that the Government of India are unable to sanction any addition thereto.

4. On receipt of a reply to the Military department letter, No. 74-B., dated the 24th January 1884, a further communication will be made to you on the subject of the necessity for a dispensary and medical subordinate in connection with Madras army head-quarters at Ootacamund.

Military despatch from the Right Honorable the Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council; dated India Office, London, 20th December 1883, No. 387.

I have received and considered in Council the Finance and Commerce letter from the Government of India, No. 305, dated 29th October 1883, forwarding a proposal for the permanent transfer of the Madras army head-quarter offices from Madras to Ootacamund.

2. From the documents accompanying this letter it appears that all the authorities concerned are unanimous in recommending the proposal, which, with the modifications made by your Government, will effect a financial saving of about Rs. 11,000 a year.

3. I concur in the belief that the measure will also be one of administrative convenience, and I accordingly sanction its adoption.

No. 175. *From Brigadier-General R. C. STEWART, Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Fort St. George,* 13*th February* 1884, *No.* 973.

With reference to O.G., No. 240, dated 17th January 1884, I have the honor, by order, to state that, with the approval of Government, the Commander-in-Chief is prepared to begin the removal of the army head-quarter offices to Ootacamund at once, so that the entire offices may be collected there at latest by the end of March.

* * * * *

6. I am to take this opportunity of mentioning that, when the move takes place, it is proposed to provide conveyance for clerks, &c., of the several offices in accordance with the provisions of the Ootacamund Allowance Code, as sanctioned in O.G., No. 5468, dated 12th October 1882.

No. 176. ORDER THEREON, 15th February 1884, No. 748.

Ordered that the foregoing letter from the Government of India, No. 121-B., dated 9th February 1884, be communicated to His Excellency the Commander-in-Chief and the Controller of Military Accounts; also to the several departments of the Government Secretariat for information.

2. The arrangement proposed in para. 1 of the Quarter Master General's letter, No. 973, above recorded, is approved.

3. With reference to para. 6 of the same letter, the provisions of the Ootacamund Allowance Code are not applicable to establishments transferred permanently to Ootacamund; but the travelling charges to Ootacamund of the clerks, &c., of

army head-quarter establishments will, with reference to Proceedings of Government, No. 5468, dated 12th October 1882, be regulated, as a special case, in accordance with the scale therein laid down.

4. The Controller of Military Accounts will provide the necessary funds for all charges in connection with the removal of army head-quarters from Madras to Ootacamund.
