No. ²/₇₇₋₁₀₂, dated 19th January 1884.

RESOLUTION,—By the Government of India, Home Dept.

Read—

Home Department Resolution No. 100, dated the 12th January 1856.

RESOLUTION.—In the Resolution of January 1856 cited above, Heads of Offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a Circular Memorandum, No. 67-2816 to 2821, dated the 19th November 1874, Heads of Departments under the Government of India were requested to hold the Registrar or Head of the Office responsible for reporting to the Secretary in charge or to the Chief of the Department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor General in Council in reproducing them desires to direct the attention of all Local Governments and Heads of Departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employés who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government Offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER.—Ordered, that a copy of this Resolution be forwarded to* Local Governments and Administrations for information;

No. 77—102.

Read—

Home Department Resolution, No. 100, dated the 12th January 1856.

RESOLUTION.—In the resolution of January 1856 cited above, heads of offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council, in reproducing them, desires to direct the attention of all Local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employes who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER—Ordered that a copy of this resolution be forwarded to Local Governments* and Administrations for information; that a copy be forwarded to all departments of the Government of India; and that a copy be forwarded to all heads of offices under the Home Department for information and guidance.

By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council, in reproducing them, desires to direct the attention of all Local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employes who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER—Ordered that a copy of this resolution be forwarded to Local Governments* and Administrations for information; that a copy be forwarded to all departments of the Government of India; and that a copy be forwarded to all heads† of offices under the Home Department for information and guidance.

Home Department Resolution, No. 100, dated the 12th January 1856.

RESOLUTION.—In the resolution of January 1856 cited above, heads of offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council, in reproducing them, desires to direct the attention of all Local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employes who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER—Ordered that a copy of this resolution be forwarded to Local Governments* and Administrations for information; that a copy be forwarded to all departments of the Government of India; and that a copy be forwarded to all heads† of offices under the Home Department for information and guidance.

Home Department Resolution, No. 100, dated the 12th January 1886.

RESOLUTION.—In the resolution of January 1856 cited above, heads of offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council, in reproducing them, desires to direct the attention of all Local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employes who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER—Ordered that a copy of this resolution be forwarded to Local Governments* and Administrations for information; that a copy be forwarded to all departments of the Government of India; and that a copy be forwarded to all heads† of offices under the Home Department for information and guidance.

RESOLUTION,—By the Government of India, Home Department, dated 19th January 1884, No. 77-102.

Read—

Home Department Resolution, No. 100, dated the 12th January 1856.

RESOLUTION.—In the resolution of January 1856 cited above, heads of offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council, in reproducing them, desires to direct the attention of all Local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employes who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER—Ordered that a copy of this resolution be forwarded to Local Governments* and Administrations for information; that a copy be forwarded to all departments of the Government of India; and that a copy be forwarded to all heads† of offices under the Home Department for information and guidance.

RESOLUTION,—By the Government of India, Home Department, dated 19th January 1884, No. 77-102.

Read—

Home Department Resolution, No. 100, dated the 12th January 1856.

RESOLUTION.—In the resolution of January 1856 cited above, heads of offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council, in reproducing them, desires to direct the attention of all Local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employes who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

ORDER—Ordered that a copy of this resolution be forwarded to Local Governments* and Administrations for information; that a copy be forwarded to all departments of the Government of India; and that a copy be forwarded to all heads† of offices under the Home Department for information and guidance.

It is suggested that a copy of this resolution should be given to every clerk on first appointment to Government service, and that it be entered in the order book of every Government office.

Ordered further, that this resolution be published in the *Gazette of India* for general information.

ORDER—dated 21st February 1884, No. 478 W., Public Works.
