Sir

The Surgeon attached to the 15th Regiment
N. I. Vizianagaram having recommended
Quartermaster Ag Kombarier Donaghe for a change
to Bangalore for the benefit of his health
I have the honor to inform you that I have
provided him with a free passage to Madras
and beg to request you will permit the cost
thereof being included in the next travelling
allowance bill as a special case, but
if you cannot permit me to do so, I beg
you will obtain the sanction of Government
authorizing the Examiner to pass the same.

2 The Quartermaster has suffered much
from the shail-fever and the Medical
Officer considers a change absolutely ne-
cessary. The Quartermaster represents that he
is unable to bear the charges himself

and I consider it hard on him that
 he should be called on to pay for the passage
 himself as he was disabled for work
 only by fear contracted from service on
 the Potomac shal-

The rule quoted by
the Controller of
Accounts does
apply to the S.
The man will
have to pay
his own passage.

The only way to
bring the case within
S.W. rules is to
transfer the man,
at the public expense,
with retrospective effect.
The course would be
an extreme one.

L.S.
2.2.84.

An extreme course certainly, but
under the hard circumstances of
the thing I am inclined
to do all that is possible for the man.

No. 24100/4 Feb 1884
To C.

for opinion as to whether
the above course proposed can be
adopted or not.

Cy.
2-2-84

C.A.W.

I confess I can't see what
more can be done. The case is
a hard one, but it would be
unwise to refer to decision.
Can you suggest anything? If
not please draft the necessary order
to S.L. informing that the advance
of passage money must be
renewed &c. — Cy.

20-2-84

To S.W.

There is really no
way out of the difficulty.
Soldiers in the S.W. sept.
are on the footing of
civilians, and any
civilian requiring a
change of climate has
to pay his own
expenses.

L.S.
