SIR,

Enclosures 3. In returning the papers referred to me for report under endorsement No. 306 dated 14th February 1884, I have the honor to state that the Estimate furnished for the Tents in question by Mr. Burton Tent Maker, Pophams Broadway, Madras is in excess of both the Estimates received from Jubbulpore and Hatchgarh; as shown in the margin, and I cannot say that the Tents made by Mr. Burton are in any way superior to those supplied from the Government School of Industry at Jubbulpore or from Messrs Hossain Buksh and Jaffer Hossain. The last named however furnished the lowest Estimate, but I would prefer the Tents from Jubbulpore Government School of Industry as they are always made of good material and are trustworthy.

Madras Mr. Burton's Estimate Rupees 575 " "
Jubbulpore School of Industry " 535 " "
Hatchgarh Hossain Buksh & Co " 394 " "

Sir,

With reference to your Memo:
Enclosure No. 2 dated 8th instant I have the
2 Estimates honor to state that, if suitable
tents for the use of my Office
establishment are not available
in the P. W. Stores, Madras or in
any of the Jails, they can be
obtained from Messrs Hossein
Butish and Jaffer Hossein, Tent
Makers, Talehgark, or from the
"Government School of
Industry", Jubbulpore.

2. I beg to submit two alternative Estimates, one for Tents made at Satehgarh (Rs 397) and one for those made at Jubbulpore (Rs 535), whichever may be considered the better source of supply. I believe that the Jubbulpore tents are the better of the two, but they are more expensive than those made at Satehgarh.

3. The tents will be required for the field work of the Surveys and Estimates of the Udymaud Roads.

I have the honor to be,
Sir,
