Sir,

ENCLOSURE.

With reference to para 3 of S.O. No 311W dated 6 Instant, I have the honor to report that a sum of Rs 800 was allotted in S.O. No 3665V of the 20 December last, for converting the old Taluk Subcherry ah Shealy, to suit the requirements of the District Munsiff's Court at that Station.

The Executive Engineer Engrsre D. has reported that he is not in a position to ask for any increase over the present allotment of Rs 800, as orders to resume the work were only received by him about the middle of this month.

No additional grant will therefore be required for the work during the current official year.

READ—the following letter from W. T. GRAHAM, Esq., District Judge, North Tanjore, to the Superintending Engineer, Sixth Circle, dated Tranquebar, 3rd January 1884, No. 1:—

With reference to G.O., dated 11th December 1883, No. 3554 W., Public Works, ordering the improvements to the old taluk cutcherry at Shiyáli, to be used as a district munsif's court, to be carried out without delay, I have the honor to inform you that I have addressed the High Court on the advisability of abolishing the munsif's court at Shiyáli. If my proposal is sanctioned, there will be no need to repair the old taluk cutcherry, and I suggest that the work be not commenced until I write to you again on the subject.

No. 1994 T.J.

Endorsement on the above.

Forwarded to the Chief Engineer, Public Works Department, with a request that orders may be given regarding the stoppage of the work in question, which, in G.O., No. 3554 W., of 11th December 1883, was ordered to be carried out as soon as possible.

READ—the following paper:—

G.O., dated 4th December 1883, Mis. No. 3188, Judicial.

Read—the following letter from the Registrar, High Court, dated 24th November 1883, No. 3669:—

ABSTRACT.—Forwarding letter from the District Judge, North Tanjore, and requesting sanction for the disbursement of Rs. 98, being the amount of rent for seven months of a building occupied by the Shiyáli district munsif at Rs. 14 a-month, and for the payment of rent of the same building from October last up to the end of 1884 at a reduced rate of Rs. 10 a-month.

ENCLOSURE.

From the District Judge of North Tanjore, to the Registrar, High Court, dated 17th November 1883, No. 555.

I have the honor to inform you that the Government, in their Order, dated 19th February 1883, No. 462, Miscellaneous, sanctioned the renting of a building for the temporary accommodation of the district munsif's court of Shiyáli at a monthly rent of Rs. 14 for a period of six months, by which time it was hoped that the repairs would be completed of the Government building intended to be used as a munsif's court. However, I now learn from the Executive Engineer, Tanjore, that no repairs have been yet done, that there has been a correspondence between himself and the Collector regarding the change of position of a cattle pound close to the building, and that the matter was finally settled in February 1883, when the estimate for repairs ought to have been submitted for sanction, but by an oversight was not. The Executive Engineer further states that the estimate has now been submitted, and that, as he does not know when funds are likely to be available, he is unable to specify a date by which the building will be ready for occupation by the munsif, and suggests my obtaining sanction for the payment of rent up to the end of 1884. I request, therefore, that you will be good enough to obtain the necessary sanction of Government for payment of the rent retrospectively from March 1883. The munsif has been paying a monthly rent of Rs. 14, which has been reduced to Rs. 10 from October last.

Order—dated 4th December 1883, Mis. No. 3188, Judicial.

Sanctioned. Copy of the District Judge's letter will be communicated to the Public Works Department for information.

ORDER—dated 11th December 1883, No. 3554 W., Public Works.

Communicated to the Superintending Engineer, Sixth Circle.

2. In G.O., No. 3478 W., dated 4th December 1883, an estimate was sanctioned for executing the necessary improvements to the old taluk cutcherry at Shiyáli, which

is to be used as a district munsif's court; and the Superintending Engineer was directed to report the appropriation needed for the current official year. Pending an allotment, the work should be put in hand at once, and carried out without avoidable delay.

3. From the correspondence now before the Government, it appears that the delay in the submission of the estimate was not fully explained in the Superintending Engineer's report printed with Proceedings of Government, No. 3478 W., dated 4th December 1883.

No. 1688 T.J.

Report by the Superintending Engineer, Sixth Circle, on the estimate for adapting the old taluk cutcherry at Shiyáli for the accommodation of a district munsif's court, in Tanjore district, Rs. 2,360.

The building in question was handed over to the district munsif in February 1882, but by its having been long disused and out of repairs it is not yet occupied, and the district munsif holds his office in a rented building. The preparation of this estimate was delayed owing to some discussion regarding some of its provisions and the necessity of getting the consent of the Collector for the transfer of some land occupied by a pound.

2. The walls of the building are of brick in mud and the roof is of pantiled with best country wood beams, posts, purlins, &c., and bamboo rafters and reepers. The walls are in good order and the wood works look very strong.

3. The estimate provides for making certain alterations and repairing the building thoroughly and is approved and countersigned by the District Judge.

4. The amount of the estimate exceeds one-fourth the value of the building and requires sanction of the Government. The estimate is recommended for sanction and allotment of funds.

5. The work will be completed within a year after funds are allotted.

26th November 1883. Superintending Engineer, Sixth Circle.

ORDER—dated 4th December 1883, No. 3478 W., Public Works.

The estimate, amounting to Rs. 2,360, for altering the old taluk cutcherry at Shiyáli, in the Tanjore district, to suit the requirements of a district munsif's court, is sanctioned.

2. The Superintending Engineer, Sixth Circle, will report the appropriation necessary to meet the outlay that may be incurred on the work during the current official year.

3. This sanction has been registered as Provincial No. 178 W. of 1883-84 and classified as Civil Buildings, Original Works.
