Should a new man be appointed, the work on which the Statistical Clerk has hitherto been engaged, (which is of a special nature) will be thrown back and delayed to a very considerable extent.

4. As, however, he was employed from May 1877 to 1879 as a Taluq Overseer in the P. W. D., and was one of the subordinates who were retired from the P.W.D. in the general reductions of 1879, it would appear from G. O. N. 2343. W., dated 22nd September 1881, that the special sanction of the Government of India will be required for his re-entertainment.

5 The undersigned has made enquiries, and has ascertained that Sundara Sastry was retired solely because the orders of of the Government of India, reducing the

P. W. Establishment, rendered it imperative. As in 1879, he had only 2 years' service, he had no special claim upon Government, and in common with a few others in a similar position he had to retire. It is therefore suggested that as a special case the Government of India be requested to sanction the re-entertainment of S. Sundara Saetty in a permanent capacity in the service of Government.

failing his being entertained in the P.W.D. in a permanent capacity.

2. It is considered that the work of this office, both now and in the future renders it necessary that an individual possessed of the requirements noticed in the Note of the Chief Engineer for Irrigation printed with G.O. N° 1498-W, of 28th May, 1883, should be permanently appointed to this office. The sanction of Government is therefore requested to the appointment of Statistical Clerk being made permanent.

3. As Sundara Sastry has now acquired a considerable knowledge of the work required from the Statistical Clerk, and was specially selected as being a competent man, it is advisable that his services should be retained for the post of Statistical Clerk should the appointment be sanctioned

Most Honored Sir

I most humbly beg to bring the following few lines for your honor's kind consideration in continuation of the my recommendation made by the superior to exempt me from the ruling of the Govt of India prohibiting re-employment of those Compulsorid thrown out in the late reduction.

I come to learn that Government of India meant to reduce the scale of establishment by the voluntary retirement of persons and if such voluntary offers are insufficient

he promised to [illegible] notes me
back on a future occasion
He & his successors have
accordingly recommended
by my re-employment when
the mad man dies was effected
These circumstances will show
that I sent in my applica-
tion more voluntarily on
being convinced of my short
service & in the hope of being
re-instated in the next op-
portunity and not compul-
sorily (in the sense of the word
as used by the Govt of India)
for any disqualification for
further service - The opinion
expressed by Mrs J Traill, H.B.

A reference may be made to the G.O. as to the construction to be placed on para 2. (2) of their Resolution dated 22-9-87, P. 2343 W. — also with respect to the manner in which the case of Soondara Chetti is affected.

In letter from India dated 6-12-87, it was ruled that an Overseer who had been Compulsorily retired, could not be reappointed to the Upper Subordinate Class except temporarily.

The point now raised is whether such man can be appointed as Statistical Clerk.

It seems doubtful whether this is forbidden.

Allusion should also be made to the circumstances connected with Soondara Chetti's retirement — and to his fitness for the post of Statistical Clerk. — both of which points are dealt with in D.E.I.'s Note dated 5-2-84 —

Please have necessary reference drafted.

D. I. asks that the Sanction of Govt be given to the permanent appointment of S. Sundara Sastry as Statistical Clerk. The post is a Sanctioned one, but the difficulty is this.—

Sundara Sastry was one of the persons compulsorily retired in 1879, and under Resolution of S. of S. of 24th August, 1881, No 1115–1134 G., no Upper Subordinate or Accountant, compulsorily retired, may be re-employed otherwise than temporarily.

Now this clause of the Resolution is susceptible of an interpretation which however Examiner does not agree to — also C. A. W.

No Upper Subordinate compulsorily retired may be re-employed permanently as an Upper Subordinate (I say); no Accountant as an Accountant.

There is nothing definitely prohibiting the permanent employment of such men in capacities outside the Upper Subordinate or Account Establishment.

If the Resolution is held to apply to all permanent appointments, in whatever capacity, it will be useless moving Govt to exempt Sundara Sastry from the prohibition.

The reply of S. of S. to applications regarding Assur Manickavasagam Pillay (S. of S. No 1514 S. of 6 Dec 81) appears to bear out my view. It said: he "can only be re-appointed to the Upper Subordinate Establishment on a temporary footing".

(1) I understand that in similar cases of subordinates retired at the period referred to application was made to India for sanction to their being again employed permanently in various capacities, & that the applications were positively refused. Was this the case?

CA.

(2) Clause 2 of para 2 of Resolution of 24th Aug 81 is clear enough, though it must have operated harshly. It might possibly be read to mean that an Upper Subdn cannot be re-employed permanently as an U. S. — an accountant as an accountant; but cannot they fill other posts, such as that of Statistical Clerk.

CA.

I agree D. W

(1) Applications have been refused. vide papers now put up.

(2). I think the terms of the S. of S. orders are absolute, and apply to all permanent appointments.
