Sir,

I am directed to

of your letter No. 215 Gdy

No. 431 W.

FROM

THE SUPERINTENDENT,
MADRAS HARBOUR WORKS,

To Colonel J. F. M. Shaw-Stewart, R.E.
Secretary to Government
Public Works Department
Madras

MADRAS, 21st February 1884.

Sir,

I have the honour to acknowledge the receipt of the papers bearing your endorsement No 419 C of the 20th instant, which refers the subject in those papers to me for report.

2. I very much regret that I do not at present see any chance of employing Mr. Mackenzie on these works, nor is it clear that a chance will occur when work is resumed. As a Sub Engineer he will hardly be suited even if the pay were sufficient for him which I doubt. He would have been a most useful man in former years to have charge of the depositing of rubble base and management of the two steamers which are lost. But as there will be no similar work in future the services of such

a

a man will not be needed. As Store-
keeper I have no vacancy, as the pre-
sent holder of that post has no wish
to leave and is a most excellent and
trustworthy officer, thoroughly acquainted
with every detail of this work. —
3. Mr. Mackenzie seems to be such a
very first rate man that I should be very
glad to secure his services if I could
possibly see any way in which he
might be fully employed, but I
regret that I see no such way. It
may however turn out that some new
requirements will appear if the system
of random blockwork be adopted for re-
storing the Harbour, and there may then
be need of Mr. Mackenzie's services. —
It would be desirable first to know
what scale of salary he expects. —
4. I return the letter from the
Government of India No 215 G of February
15th and other papers, as requested.

I have the honour to be
