READ—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated Madras, 24th December 1883, G. No. 3266 :—

With reference to the Proceedings of the Government, Judicial Department, No. 2130, dated the 15th October 1881, sanctioning the appointment of special officers to the sub-registry offices at Nandikótkur and Cumbum, I have the honor to state that I inspected these offices last month and found that it was absolutely necessary, if registration is to be advanced, that suitable office accommodation should be provided at each station.

2. The sub-registrar at Nandikótkur holds his office in a store-room lent to him by the tahsildar, and the sub-registrar at Cumbum in a rented house situated in a noisy bazaar street.

3. I request that you will be pleased to obtain the sanction of the Government for the construction of offices at both stations on the standard terraced design.

4. At Nandikótkur the office may be built close to the taluk cutcherry. At Cumbum the best site would be the one chosen by Mr. Glenny for the construction of the several public offices.
