Read—the following proceedings of the Board of Revenue, dated 29th February 1884, Mis. No. 1842 :—

Read—the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 16th February 1884, No. 86 :—

With reference to Board's proceedings, No. 208, dated 22nd ultimo, I have the honor to state that Ammayanayakanúr, which is a railway station, would form a better head-quarters for the deputy tahsildar, and that the new office may be built there instead of at Nelakkotta, which is five miles distant. There would also be a saving in the cost of the police force, and the Superintendent of Police and the Acting Sub-Collector recommend the change.

2. Ammayanayakanúr is a zemindari village, and if the Board approve of the proposal and obtain the sanction of Government, I shall negotiate with the zemindar for acquiring a suitable site.

Resolution—dated 29th February 1884, Mis. No. 1842.

Submitted for the orders of Government, in continuation of the Board's proceedings quoted by the Collector.

2. The Board agree with the local officers in considering that the proposed cutcherry should be built at Ammayanayakanúr in preference to Nelakotta, which is five miles distant. If this is approved, it would be better to build the sub-registrar's office also at the former station.

Order—dated 8th March 1884, No. 329, Revenue.

The proposed transfer of the deputy tahsildar's head-quarters is approved. The Collector will take the needful steps without delay to acquire a suitable site for the building at Ammayanayakanúr.

2. The question of combining the sub-registrar's office with the deputy tahsildar's cutcherry will be considered in the Judicial Department.
