GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

ORDER—dated 18th March 1884, No. 728 W., Public Works.

As form No. M. 73, "Application for a Reappropriation of Budget Grants," is found to cause unnecessary labor, and is unsuited to the system of work prevailing in the Secretariat, its submission to the Local Government will be discontinued in future.

2. Applications for reappropriations of budget grants should be in letter form, addressed to the Secretary to Government in the branch concerned, and need not be submitted through the Examiner, Public Works Accounts. Reference to budget items affected, with a brief but clear explanation of the grounds of the application, will suffice.

3. Orders authorising transfers of funds will invariably be communicated to Administrative Departments of the Secretariat through whom they will issue to the heads of the departments concerned.

Your Office Note No. 238 D, dated 1st. February 1884.

Form No. M. 73, in so far as it is prescribed in para 1820 of the Madras Code for submission to the Government of India, cannot be removed altogether from our

book of forms with ^{not} Government of
India's sanction, as it is prescribed
in the Government of India Code
Chapter XV, Section VI, para 159;
as Government of India Form No. 121.

2. As regards its submission
by Superintending Engineers, as
prescribed in para 1583 B. of the
Madras Code, this is only a local order
and Government may modify it. In my
opinion, however, the filling in of
Form 73 ensures due consideration
being given to all the important
points laid down in the form, one or
other of which is liable to be over-
looked in putting them in the shape
of a letter.

3. The submission of the
applications through the Examiner
is not essential and may be
dispensed with.

*It can
still be used
for the form 73
