READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 11th March 1884, No. 3544 G.D. :—

I have the honor to inform you that Sergeant S. Hearne, overseer, has been placed in charge of construction of Ralli and Lolla locks and other masonry works near them in the Godavari Central division. He has no occasion to travel frequently more than 5 miles daily; but has a large amount of travelling within that radius, with occasional travelling beyond it. Conveyance or horse allowance at the rate of Rs. 30 a-month, under rule 6, section 28, of the Travelling Allowance Code, was therefore claimed for him in the travelling allowance bill of the Central division for April 1883 for the period noted in the margin; but the Examiner passed only allowance at

From 6th February to 31st March 1883. the Examiner passed only allowance at the rate of Rs. 15 (single horse allowance) per month, and objected, in the absence of special sanction of Government, to admit the claim of conveyance or horse allowance at Rs. 30 per month. I trust you will, under the circumstances, see fit to obtain the sanction of Government to the difference of allowance disallowed being passed by the Examiner.

2. I beg to invite your attention to paragraph 3 of my letter printed with G.O., No. 126 W., of the 16th January 1884.

ORDER—dated 19th March 1884, No. 738 W., Public Works.

The Examiner, Public Works Accounts, is authorised, under section 28, rule 6, of the Travelling Allowance Code, to admit to Sergeant Hearne, overseer, 1st grade, horse allowance not exceeding Rs. 30 per mensem, when claimed on his behalf by the Superintending Engineer, I Circle.

2. It is not considered expedient to accord the general sanction applied for by the Superintending Engineer in paragraph 3 of his letter, recorded with G.O., No. 126 W., dated 16th January 1884. The case of each subordinate must be considered on its merits, as contemplated by the code rule.

READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Camp Amalapúram Canal, 18th December 1883, No. 390 G.L. :—

I have the honor to bring to your notice that the Examiner of Public Works Accounts has objected to pass the claims * of upper subordinates in this circle for

* Rs. 163-6-2.

conveyance or horse allowance at Rs. 30 a-month under rule, 6 section 28 of the new Travelling Allowance Code.

2. I beg to enclose a memorandum showing the claims preferred by each subordinate, the amount passed, and that disallowed by the Examiner; and to request you will be good enough to obtain the sanction of Government authorising the Examiner to pass the amount (Rs. 163-6-2) as shown in the accompanying memorandum.

3. I further beg to state that the claims of upper subordinates for conveyance or horse allowance at Rs. 30 a-month when they have large amount of travelling at or near head-quarters will be frequent, and in order to obviate the necessity of requesting sanction of Government on each occasion, I recommend that the Examiner of Public Works Accounts be authorised to pass without question all future claims of upper subordinates for conveyance or horse allowance at Rs. 30 a-month, which may be passed by me.

ENCLOSURE.

MEMORANDUM showing the conveyance or horse allowance claims made by upper subordinates in the I Circle, but audit deferred by the Examiner of Public Works Accounts pending sanction of Government.
