MADRAS, D.P.W.,

Bangalore, 10 March 1884.

From,

THE EXECUTIVE ENGINEER,

Presidency Division,

To,

THE *Superintending Engineer,*
V. Circle.

SIR,

In reference to G.O. No. 586 W dy 3 March 1884 I have the honor to suggest that each Commissioned and Warrant officer be furnished with a copy thereof, as otherwise any one such taking furlough will not be able to insist upon being furnished with the Last Pay or Pension Certificate therein mentioned, before leaving this country.

I do this remembering how I, when I went on special leave in January 1880, was promised by the then Examiner P.W. Accounts Major Traill that, immediately upon my name appearing in orders for furlough a Certificate would be posted. Although my name appeared in orders in January 1880 no certificate arrived at my address until August 1880, and then only after frequent ap-

plications

applications to India Office and Madras. It subsequently transpired none had been sent from Madras as promised

I was very much impressed during the above mentioned period in 1880 how little faith was to be placed in such promises of transmission of Lost L/L certificates.

An officer having taken and paid for a passage by a particular ship &c. is not in a position generally to say that he will not leave the Examiner's Office until he is furnished with a L.P. & L. certificate.

At present, ~~there is~~ the only alternative to going home without one, ~~is~~ ~~with~~ a promise such as I had in 1880.

With a copy of the G.O. recently issued on the subject, it would be possible for one to take up a firm position on the subject - without a copy the mere circulation of the Govt. order will have, I think, very little effect.

Yours &c.
