in accordance with in-
- memorial custom.

2. The Telegraph Dept.
should ascertain from
the Dharmakartas the
height which will admit
of the passage of the cars,
and having taken an
agreement from them
that their requirements
will thus be met, the
alteration should be
carried out without
delay at the expense
of the State.

Should say the wires
 must be raised
 at the cost of the State
 They should in the first
 instance have been placed
 at a sufficient height to
 admit of the cars passing
 in accordance with the
 memorial submitted.

The Telegraph Dept. should
 ascertain from the Durma-
 kartas the height which will
 admit of the passage of the
 cars and having taken
~~into account~~ an opinion
 from them that their require-
 ments will thus be met

1. 3. 84 To permanently raise the wires
to the height required (between 30 and 40 ft)
at the 3 places where the car wants to
pass, will cost about Rs 400.
Are the Secy have written to the Durmakarti
to ask if he is prepared to find this money or
whether he would prefer to supply temporary
wooden supports and pay the cost of raising the
wires temporarily while the car passes.
