READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 16th August 1883, No. 1874 :—

2 Detailed estimates.
2 Abstract do. induplicate.
1 Plan (tracing).
2 Reports and specifications.

With reference to G.O., No. 416 W., dated 8th February 1883, I have the honor to submit plan and estimates for—

	Rs.
Central road from the west entrance into the Chepauk Park	5,582
Branch road from the above to the point fixed for the junction of the Cooum bank road and the Napier Bridge branch road	3,580

2. The first estimate does not provide for side foot-paths. If these were to be added as shown on the plan, the cost would be approximately Rs. 6,000 additional. By laying down the branch road, as provided in the second estimate, the form of the rectangular pond near the Revenue Board stables will be considerably modified, though not altogether to correspond with the figure shown on the plan.

ORDER—dated 1st September 1883, No. 2449 W., Public Works.

The following estimates are sanctioned :—

	Rs.
Central road from the west entrance into the Chepauk Park	5,582
Branch road	3,580

2. The works should be proceeded with, while the Government are absent from Madras, from the current year's budget allotment of Rs. 3,000, which will be supplemented as soon as possible. The requisite materials should be prepared.

3. A detailed supplemental estimate for side foot-paths for the first mentioned road may be submitted hereafter.

4. This sanction has been registered as Provincial No. 104 of 1883-84 and classified as Miscellaneous Public Improvements, Original Works.
