GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From F. BRANDT, Esq., Collector of Nilgiris, to the Secretary to Government, Public Works Department, dated Ootacamund, 7th January 1884, No. 1.

I have the honor to send, herewith, copy of a requisition from the Executive Engineer, Nilgiri division, for acquisition of a small piece of land near the Elk-hill cutting on the Coonoor road, within Ootacamund municipal limits.

2. I append draft notification, under Section 4 of Act X of 1870, which, if approved, can be published in the next issue of the *Fort St. George Gazette* under due signature, as provided in Section 6 of the Act, and request that instructions, as required under Section 7, be officially communicated direct to me to take order for acquisition of this land.

Also that, this appearing to be a case of urgency, instructions be given to me to take possession under Section 17 of the Act.

3. There is no doubt, I think, Colonel Clementson is the owner of this land, and that no other claimant will appear. Colonel Clementson has intimated to me that he would prefer, to taking money compensation, to have another small piece of land, in exchange, higher up the hill. I will report, after inspection, whether this proposal might with advantage be entertained or not.

ENCLOSURE.

From J. C. LARMINIE, Esq., Executive Engineer, Nilgiri Division, to the Collector of Nilgiris, dated Ootacamund, 3rd January 1884, No. 980.

I have the honor to forward a tracing (in duplicate) from the 24-inch survey map (enlarged four times) showing, colored yellow, a piece of land required in connection with the improvements to the Elk-hill cutting on the Coonoor road.

The land is bounded on the north by a line drawn from the water cistern at the junction of the upper and lower zigzags on the old Dodabetta road to a demarcation stone just outside Colonel Clementson's fence and 176 feet from where the water channel crosses this road; on the west, south and east by the above road. The area is about half an acre, and the land is required for a public purpose, as already mentioned, viz., the improvement of the slopes of the Elk-Hill cutting; and I have the honor to request that very early steps may be taken to allow of my taking possession of it.

Telegram from the Collector of the Nilgiris, dated 7th January 1884.

ORDER—dated 11th January 1884, No. 82 W., Public Works.

Ordered that the notification be published in the Fort St. George and District Gazettes.
