Reporting the consent of the Collector to relinquish the t. P.W.D.

Is anything known the building at Hospet styled a Granary?

To what Dept. does it belong?

I should like these queries to be answered before attached order is issued.

To W.

From the papers just sent it would appear that the building referred to was constructed in 1877 from famine funds, as a depôt for grain stored for relief purposes.

The depôt was abolished in Augt 1878, & the building has apparently been in charge of the P.W.D. since then. If so ordered, a reference to the Supdt Engrs will be made on the last point.
