READ—the following paper :—

From the Quartermaster-General in India, to the Secretary to the Government of India, Military Department, dated Simla, 17th October 1883, No. 5233-A. (Transport—Inland.)

With reference to Military Department No. 90-C., of 23rd January 1883 (*Transport—Railway*), I am instructed by His Excellency the Commander-in-Chief to submit, for the information of the Government of India, the annexed extract from a letter from the Inspector-General of Military Works, from which it will be seen that the standard pattern dummy wagons have been provided with wooden floors, and a batten inserted under the edge of the iron roof at the doorways.

Paragraph 3 of No. 4812, dated 25th September 1883.

Extract of a letter from the Inspector-General of Military Works, to the Quartermaster-General in India, dated 25th September 1883, No. 4812.

Paragraph 3. And with reference to paragraph 5 of your letter, I regret that, by an oversight, no reply was sent to your letter, No. 939-A., dated 1st March 1883. It will be seen from the type plans sent to you with my No. 3965, dated 15th August 1883, that the wagons have wooden floors, and a batten has been given under the edge of the iron roof at the doorway. These plans have been circulated to all local Governments and heads of departments, and are applicable to India generally.
