READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 21st March 1884, No. 161 E.W. :—

1 Copy of letters.

As directed in paragraph 426 of the Public Works Code, I have the honor to request sanction to the proceedings taken by the Executive Engineer, Nílgiris against the Misses Ward to obtain possession of "Waterloo Cottage," one of the buildings on Bombay Hill, Ootacamund.

2. The cottage was urgently wanted by the Military authorities, and at their suggestion the Executive Engineer offered to waive all claims on account of rent due; but the people in occupation will neither pay up nor vacate. Hence the necessity for legal proceedings.

ORDER—dated 28th March 1884, No. 849 W., Public Works.

Legal proceedings should be taken as proposed. Such measures should have been adopted earlier on refusal by the occupants to pay rent.

Mesdames.

In reply to your letter of the 10th Instant I regret to say that the only Concession I can make is to waive all claim to the amount of rent due by you from the 31st March last at Rs 20 per month, on Consideration of your at once vacating the Cottage which is required for Military Offices. Should you decline to accept this very liberal Concession I shall have no alternative but to place the matter in the hands of a Solicitor.

Yours faithfully &c

Reference your letter dated 14th Inst.

The other tenants of Bombay Hill were not paid anything. An offer has already been made to you to remit the rent, if you at once vacated the building; as this has not been done, nor the rent paid up there is now no other alternative but to place the matter in the hands of a Solicitor

Yours &c
