GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 19th March 1884, No. 3632 G.D. :—

I have the honor to inform you that in the Provincial preliminary budget for 1884-85 Rs. 10,000 have been allotted for Narsápur * taluk cutcherry in the Godávari western division; but the divisional officer now reports that the Deputy Collector at that place has informed him that there will be considerable difficulty and delay in securing a site for the building, the site selected some nine years ago when the estimate was sanctioned having been since occupied and built on by private individuals. It is therefore proposed to transfer the amount to Bhímavaram taluk cutcherry (item 11 of Class B Works). The proposal has received the approval of the Collector of the Godávari district and I recommend its sanction.

* Item No. 6 of Class A Works.

Order—dated 28th March 1884, No. 850 W., Public Works.

The transfer of funds proposed by the Superintending Engineer, I Circle, is approved, and will be carried out in the final issue of the Provincial budget for 1884-85.
