GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General
Establishment

For the P. W. Works.

From P. G. DALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 8th March 1884, No. 107 S.G.

I have the honor to forward, for your consideration and orders, a letter from the Executive Engineer, Sangam Project division, who complains of the manner in which Mr. P. Webb, now employed as clerk in the Public Works Stores, has behaved.

2. Mr. Webb's statement is true, that the General Superintendent, Public Works Stores, gave him a six months' lien on the appointment in his office; this officer has ignored the orders of Government contained in G.O. No. 2911 W. of the 22nd December 1880, limiting such a lien to three months. I agree with Captain Campbell that no servant should be allowed to make a convenience of a public office in the manner in which this clerk appears to have done.

3. Policy, therefore, Mr. Webb's previous service justifies some consideration. I agree that he should be allowed to rejoin an appointment, which, under the terms of the Government order, he should have vacated, and request the favor of your decision on the subject.

For the P. W. Works, I have the honor to forward, for the Deputy Chief Engineer, Public Works Department, Madras, 29th March 1884, No. 1112.

When Mr. Webb was No. 680 C. of 21st March 1884 (enclosures returned), I was pleased to state that Mr. Webb was not given any lien upon his appointment. He was granted six months' leave without pay, but at the time he was appointed he had not left on his workshop post.

4. Mr. Webb came to see me at Madras. I understood that he had finally left the Government office, and I had no idea that Captain Campbell expected him to return.

G.O., 2nd April 1884, No. 895 W.

APRIL.

Mr. P. Webb, Clerk

The General Superintendent, Public
Works Workshops, directed to discontinue
from his present post unless there are special
grounds for not doing so.

1047 S.C.

Superintending Engineer's Office,
Mad Circle, Manipal
24 March 1884.

The Superintending Engineer,
Mad Circle.

The Chief Engineer,
Public Works Department.

I have the honor to forward
for your consideration and orders a letter
from the Executive Engineer, Mangalore
Division, who complains of the manner
in which Mr. P. Webb, now employed as
clerk in the Public Works Stores, has
behaved.

If Mr. Webb's statement is true,
that the General Superintendent, Public Works
Stores gave him a 6 months leave on the
sufficiency of his office, this officer
has received the orders of Government
contained in G.O. No. 895 W. of the 2nd
April 1884, directing such a leave
to be granted only in cases where it is
found that it is necessary to
be granted.

in the manner which this Clerk appears
to have done.

3. Unless therefore Mr. Nichols' previous
service justifies some consideration,
I do not think he should be allowed
to rejoin an appointment, which under the
terms of the Act quoted he should
have vacated, and request the review
of your orders on the Subject.

I have the honor to be,
Sir,

Your most Obedt Servant

J. W. Randall
Superintending Engineer
2nd Class

7. W.

It may seem hard, but
I think the only course is
to order Mr. Noble to withdraw
from the Clubship - the House.

W.

26-3-84

The case seems to have
been a distinct infringement
of the orders circulated on
22-12-80 - & unless
there are special circum-
stances which do not
appear, the person
should be instructed to
discharge him from his
present post.
